Honorable William A. Vogle, County Mayor
and Honorable Board of Commissioners
Robertson County
108 Courthouse
Springfield, TN 37172

Dear Mayor Vogle and Members of the Board:

Please include this letter in the minutes of the next meeting of the County Commission and provide a copy to each Commissioner.

Our office received a request from Robertson County (the "County") on October 9, 2018, for approval to issue three-year interfund capital outlay notes in an amount not to exceed $600,000 to be known as the "Interfund Loan Capital Outlay Notes, Series 2018" (the "Notes"). The interfund loan will be made from the County's Debt Service Fund to the Solid Waste Fund.

Included with the request was a copy of Resolution No: 09172018096 adopted on September 17, 2018, authorizing the issuance of the Notes for constructing, improving, repairing, renovating and equipping County buildings and facilities related to the Solid Waste/Sanitation Facility located at 2916 County Farm Road in Springfield, Tennessee to create an appropriate Traffic Flow for public trash dumping at the Transfer Station Site (the "Project"). The proposed note form was included with the resolution. Please send a copy of the executed note to us along with the completed Report on Debt Obligation (Form CT-0253).

Compliance with Debt Management Policy

The County provided a copy of its debt management policy, and within forty-five (45) days of issuance of the debt approved in this letter, is required to submit the Report on Debt Obligation that indicates that the debt issued complies with the County's debt policy. If the County amends its policy, please submit the amended policy to this office.

Note Approval

This letter constitutes approval for the County to issue the Notes as an interfund loan from the Debt Service Fund to the General Fund pursuant to T.C.A. §§ 9-21-408, 9-21-604 and 9-21-607. Approval of the sale of the Notes is conditioned upon County's compliance with all relevant provisions of Tennessee law.

This office has relied upon the County's determination and representation as to the cost of the public works Project.

The County is responsible for compliance with Title 9 Chapter 21 Parts 1, 4, and 6 of the Tennessee Code Annotated, its debt management policy, and the timely payment of outstanding note principal and interest in accordance with the note provisions.

This letter and the approval to issue debt do not address the compliance with federal tax regulations and should not be relied upon for that purpose. The County should discuss these issues with a tax attorney or bond counsel.

This approval is valid for six months after the date of this letter. If the Notes have not been issued within that time, a new note resolution must be passed by the Governing Body and submitted to this office for approval.

Purpose, Terms, and Life

This Project meets the definition of a public works project in T.C.A. § 9-21-105, and the County may issue notes under the authority of Title 9 Chapter 21 of the Tennessee Code Annotated to finance such a project. The maturity of the Notes does not exceed the life of the proposed Project as attested by the local governing body. The submitted certified resolution and supporting documents appear to meet the requirements for the issuance of notes in Title 9 Chapter 21 Parts 1, 4, and 6 of the Tennessee Code Annotated. The maximum maturity for the Notes as authorized by the governing body is three fiscal years after the fiscal year of issuance.

In accordance with the requirements of T.C.A. § 9-21-604, a condition for this approval is that not less than one-ninth (1/9) of the original principal amount of the Series 2015 Notes is paid each year after the fiscal year issued with the balance being paid in the final year of the Notes. In its resolution, the County committed to pay not less than one- third (1/3) of the principal amount of the Notes each year the Notes are outstanding. This meets the statutory requirement.

Nonconforming Obligations

Notes issued contrary to Title 9 Chapter 21 Parts 4 and 6 of the Tennessee Code Annotated or Notes not properly extended are nonconforming obligations. The Comptroller has the option to levy a penalty for notes deemed nonconforming obligations.

Director's Budget Approval Requirement

By issuing debt under the authority of Title 9 Chapter 21 of the Tennessee Code Annotated, the County has placed itself under the budget approval authority of the Director of the Office of State and Local Finance for the life of any outstanding debt. This authority requires the County Executive, as Chief Executive Officer, to submit within fifteen days of adoption the appropriation resolution with any necessary supporting documents to this office for official budget approval to document:

- the County's budget is balanced as required by state law,
- the County intends to pay all outstanding debt obligations, and
- the annual budget is prepared in a form consistent with accepted governmental standards and as approved by the Director.

This office can require the County to provide any information or perform any audits necessary to ascertain that the County maintains a balanced budget paying all outstanding debt obligations. If the County is unwilling to submit to the requirements of T.C.A. § 9-21-403, this approval to issue the Notes is rescinded.

Report on Debt Obligation

Enclosed is a Report on Debt Obligation. The report must be filed with the governing body of the public entity issuing the debt not later than forty-five (45) days following the issuance or execution of a debt obligation by or on behalf of any public entity, with a copy (including attachments, if any) filed with the Director of the Office of State and Local Finance by mail to the address on this letter or by email to StateandLocalFinance.PublicDebtForm@cot.tn.gov. A fillable PDF of the Form is available at http://comptroller.tn.gov/sl/pubdebt.asp. No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation.

Please notify us if the County decides not to issue the Notes.

If you should have questions or need assistance, please feel free to contact your financial analyst, Ron Queen, at 615.401.7862 or Ron.Queen@cot.tn.gov. You may also contact our office by mail at the address located at the bottom of this page. Please send it to the attention of your analyst at the Office of State and Local Finance.

Re: Request for Rezoning Property

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 1.05 acre tract of land. The subject property may be found on Tax Map 125, part of Parcel 11.01, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Gideon Road, in the 12th Civil District, 3rd Voting District.

The property is currently zoned, `AG2', we are requesting for the property to be rezoned to `R40'. We are wishing to subdivide this tract to create a new building lot. We understand that if this zoning request is approved appropriate plats must be presented to the Planning Commission and Department of Environment and Conservation for approval.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,
