Re: Request for Rezoning Property

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 10.47 acre tract of land. The subject property may be found on Tax Map 90, part of Parcel 189.01, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Jim Gower Road, in the 9th Civil District, 12th Voting District. The subject property lies within the City of Springfield Planning Region.

The properties are currently zoned, `AG-2', we are requesting for the property to be rezoned to `R-40'. We are wishing to subdivide the total parcel into a residential development for the building of new homes. We understand that if this zoning change request is approved appropriate plats must be presented to the Planning Commission and Department of Environment and Conservation for approval.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,

Wayne King
