Re: Request for Rezoning Map Amendment

Dear Planning Commission Members,

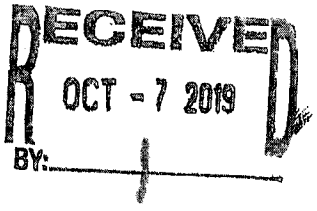

The purpose for this letter is to request the rezoning of a 0.38 acre tract of land. The subject property may be found on Tax Map 37, part of Parcel 71, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Starks Road, in the 1st Civil District, 1st Voting District.

The property is currently zoned, `R40', we are wishing to rezone the property to `AG-2'. We are wishing to trade this property for a portion of our neighbor's property in order to reconfigure our lot with the existing dwelling. We understand that the adjacent property owner is to include this property into his remaining property by deed, so that, we are not creating a non-conforming parcel. We also understand that if this request is granted we must then submit a final plat of the new lot for approval by the Robertson County Planning Commission and other approving agencies.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,

Richard Clark Bellar

Re: Request for Rezoning Map Amendment

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 0.88 acre tract of land. The subject property may be found on Tax Map 37, part of Parcel 78, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Starks Road, in the 1st Civil District, 1st Voting District.

The property is currently zoned, `AG-2', we are wishing to rezone the property to `R40'. We are wishing to trade this property for a portion of our neighbor's property in order to reconfigure their lot with the existing dwelling. We understand that we are to revise our existing deed to reflect the land swap, so that, we are not creating a non-conforming parcel.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,

Paul A. Moore

Re: Request for Rezoning Approval

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 5.01 acre tract of land. The subject property may be found on Tax Map 66, part of Parcel 66, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Tennessee Highway #25, in the 18th Civil District, 8th Voting District.

The property is currently zoned, `AG-2', we are wishing to rezone this property to `C1'. We are wishing to develop this property into a mini storage warehouse site possibly in the future. We understand that if this request is granted we will then be required to submit appropriate site plans to the Planning Commission for approval prior to any construction.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

RESOLUTION NO. 111819118

A RESOLUTION TO APPROVE A CONTRACT EXTENSION WITH THE INMATE TELEPHONE PROVIDER TO THE ROBERTSON COUNTY SHERIFF'S OFFICE

WHEREAS, by prior contract the Robertson County Sheriff's Office uses Global Tel Link Corporation (GTL) to furnish telephone equipment and service to inmates of the Robertson County Detention Center ("the Detention Center"); and

WHEREAS, it is proposed that the Detention Center current contract with the GTL be extended for a period ending September 1, 2025 upon the terms and conditions as set forth in that attachment hereto; and

WHEREAS, the Detention Center is in need of certain improvements in its security surveillance systems, and upon execution of the new contract and extension GTL has agreed to advance to the Detention Center the amount of $250,000 against future revenues to be received by the Detention Center in the form of a Jail Tech Grant, and it is the purpose of this Resolution to approve the extension of this Contract as proposed and to accept the Jail Tech grant funds for use in the Detention Center and Sheriff's Office;

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission, meeting in regular session this the 18th day of November, 2019, that the Sheriff of Robertson County and/or the County Mayor is hereby authorized to execute an extension of contract with GTL as proposed herein and to accept for use by the County Sheriff's Department and/or its Detention Center the proposed Jail Tech Grant funds as an advance due the County for future revenues under the Contract.

Passed this the 18th day of November, 2019, to be effective on the date of its passage, the public welfare requiring it.

RESOLUTION NO. 111819119

A RESOLUTION TO REQUEST FUNDING FOR COMPLETION OF HIGHWAY 431 IMPROVEMENT PROJECT

WHEREAS, Robertson County, Tennessee ("the County") has been requesting the State of Tennessee and the Tennessee Department of Transportation to widen and improve US Highway 431 (referred to herein as "the Project") from Springfield, Tennessee to its connection with Interstate 24 North for many years; and

WHEREAS, a portion of such funding was obtained and construction has begun for the Project from Springfield to a point north of the border between Robertson and Davidson Counties, but funding has not been appropriated for completion of the Project from its present terminus point to Interstate 24 North; and

WHEREAS, Robertson County is a bordering County to Davidson County and it is estimated some 22,000 residents of Robertson County regularly commute to or through Davidson County for work and the completion of the 431 Project would:

a. Ease the traffic burden in Davidson County by making it more likely that Davidson County residents would use an improved highway for travel to Robertson County for employment and/or to reside; and

b. Provide an economic boost to Robertson County and also allow more affordable housing for such travelers to be purchased in Robertson County; and

c. Provide a much safer roadway for persons traveling to or from Robertson and Davidson County in each direction as the remaining portion of US 431 not under construction is a 2 lane highway with many twists and turns, with narrow shoulders, and with little opportunity to pass other vehicles safely; and

d. Ease congestion as the increased number of vehicles on US Highway 431 has caused a safety hazard for the traveling public in both directions.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission, meeting in regular session this the 18th day of November, 2019 that the General Assembly of the State of Tennessee and/or the Tennessee Department of Transportation allocate and budget as soon as possible the estimated $8,000,000 for the Planning and Engineering phase for the completion of this very worthwhile project.

Passed this the 18th day of November, 2019, to be effective on the date of its passage, the public welfare requiring it.

Resolution No. 111819120
Requested by: _____

RESOLUTION TO APPROVE THE ECONOMIC IMPACT PLAN FOR A TAX INCREMENT FINANCING PROGRAM AND ASSOCIATED INCENTIVE TO THE VIRIDIAN GROUP, LLC AS REQUESTED BY THE INDUSTRIAL DEVELOPMENT BOARD OF THE COUNTY OF ROBERTSON

WHEREAS, the Industrial Development Board of the County of Robertson (the "Board"), is a public, nonprofit corporation organized and existing under, and by virtue of, the provisions of Chapter 53, Title 7, Tennessee Code Annotated, as amended (the "IDB Act"); and

WHEREAS, the purpose of said IDB Act, as stated therein, being to authorize the incorporation in the several municipalities in the State of Tennessee of public corporations to finance, acquire, construct, own, lease, equip and/or dispose of properties to the end that such corporations may be able to, among other things, maintain and increase employment opportunities by promoting industry, trade, commerce, tourism, and recreation by inducing manufacturing, industrial, governmental, educational, financial service, commercial, and recreational enterprises to locate or to remain in the State of Tennessee; and

WHEREAS, the Board desires to induce The Viridian Group, LLC, a Tennessee limited liability company (the "Company"), to undertake a "project" within the meaning of the IDB Act, consisting of a mixed-use development that includes of office, retail, and restaurant space, known as the Town Square Commons development located in Greenbrier, Tennessee (the "Project"); and

WHEREAS, the Board is authorized by the IDB Act to, among other things, prepare and submit to the Board of Commissioners of Robertson County, Tennessee (the "County") and the City of Greenbrier Board of Mayor and Alderman (the "City"), for their approval, an economic impact plan pursuant to Section 312 of the IDB Act; and

WHEREAS, the Board held a public hearing relating to the proposed "Economic Impact Plan for the Town Square Commons Development Area" (the "Economic Impact Plan"), attached hereto as **Exhibit A** and incorporated herein by reference, and approved the Economic Impact Plan, pursuant to which the Board would provide financial assistance to fund a portion of Public Infrastructure Costs (as defined in Section 2 of the Economic Impact Plan) by borrowing money under a nonrecourse note (the "Note"), secured and repaid by a portion of the property tax increment as described in Section 4 of the Economic Impact Plan; the maximum amount that will be made available by the Board to the Company for this financial assistance will be four hundred and eighty-three thousand, three hundred Dollars ($483,000), plus interest paid on the Note at an interest rate not to exceed five and 25/100 percent (5.25%) per annum, transaction costs, closing costs, and certain legal expenses (the "Incentive"); and

WHEREAS, the Board is authorized by law and has deemed it necessary to provide the Incentive pursuant to the terms of a certain Project Agreement (the "Project Agreement"), to be

entered into with the Company, a copy of the current draft of which has been presented at this meeting of the County Commission, it being understood that the Board may approve such changes to the form of this agreement as it deems to be necessary or desirable; and

WHEREAS, the County has been asked to approve the Economic Impact Plan and the Incentive to the Company.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Robertson County, meeting in regular session, this the 18th day of November, 2019, hereby finds as follows:

1. Findings with Respect to the Project. The County hereby finds with respect to the Project that the use of the Incentive to fund the Project Infrastructure Costs is necessary and desirable; that the Plan Area (as defined in Section 3 of the Economic Impact Plan) is within an area that could provide substantial sources of tax revenues to the City and the County; that the use of the Incentive is in furtherance of promoting economic development in the City and the County; that the use of the Incentive will develop trade and commerce in and adjacent to Robertson County, Tennessee, will contribute to the general welfare, and will alleviate conditions of unemployment; and that the construction and equipping of the Project will be necessary and advantageous to the Board in furthering the purposes of the IDB Act.

2. Approval of the Incentive and the Economic Impact Plan. The form, content, and provisions of the Economic Impact Plan, and the grant of the Incentive as contemplated herein and in said Economic Impact Plan, are hereby in all particulars approved; and the Mayor is hereby authorized, empowered, and directed to execute, acknowledge, and deliver said Economic Impact Plan, in substantially the form now before this meeting of the Robertson County Board of Commissioners, or with such changes therein as shall be approved by the Mayor executing the same, his execution thereof to constitute conclusive evidence of their approval of any and all such changes or revisions, in the name, and on behalf, of the County.

The Mayor and all departments and agencies of the County, are hereby authorized, empowered, and directed, from and after the date hereof, to do all acts and things, and to execute all documents with the Company, the Board and/or the City as may be necessary or convenient to carry out, and to comply with the provisions of said Economic Impact Plan.

3. Miscellaneous Acts. The Mayor or the County Clerk, or either one of them, are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, memoranda and certifications, certifications hereinbefore authorized and approved, as may, in his or her discretion, be necessary or desirable to implement or comply with the intent of this Resolution, or any of the documents herein authorized and approved, or for the granting and implementation of the Incentive or the undertaking of the Project by the Company for the foregoing purposes, including without limitation, the execution, delivery and recordation of any memoranda, certificates or other

documents or instruments as they may deem necessary or desirable in connection with the foregoing.

5. Limited Obligation and Liability. The obligations of the Board under the Economic Impact Plan (the "Obligations"), and any payments or borrowing with respect thereto, are limited obligations of the Board and shall not be deemed to constitute a general debt or liability of the Board or County, except insofar as the Available Increment (as defined in Section 5 of the Economic Impact Plan) has been received by the Board and the same is payable in accordance with the provisions of the Economic Impact Plan and in the Project Agreement referenced therein.

6. Captions. The captions or headings in this Resolution are for convenience only and shall in no way define, limit, or describe the scope or intent of any provision hereof.

7. Partial Invalidity. If any one or more of the provisions of this Resolution, or of any exhibit or attachment thereof, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Resolution, and the exhibits and attachments thereof, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

TOWN SQUARE COMMONS DEVELOPMENT AREA

1. **Authority for Economic Impact Plan**. Industrial development corporations are authorized under Section 312 of Tennessee Code Annotated § 7-53-101, *et. seq.* (the "IDB Act") to prepare and submit to cities and counties an economic impact plan with respect to an area that includes a project within the meaning of the IDB Act and such other properties that the industrial development board determines will be directly improved or benefited due to the undertaking of such project. The IDB Act also authorizes cities and counties to apply and pledge new incremental tax revenues, which arise from the area subject to the economic impact plan, to the industrial development corporations to pay the cost of projects or to pay debt service on bonds or other obligations issued by industrial development corporations to pay the cost of projects. The Industrial Development Board of the County of Robertson (the "Board") desires to adopt this Economic Impact Plan pursuant to the IDB Act to provide an incentive in order to induce The Viridian Group, LLC, a Tennessee limited liability company (the "Company"), to undertake the Project as provided herein.

2. **The Project**. The City of Greenbrier Board of Mayor and Aldermen (the "City") intends to support the development of the Town Square Commons Development Area, which includes a mixed-use development project and improvements to a certain existing public park (the "Project"), on the property described on **Exhibit A** (the "Property"), located in Greenbrier, Tennessee. In order to make the Project financially feasible, the Board intends, subject to the approval of the City and the Robertson County Board of Commissioners (the "County") of this Economic Impact Plan, to engage in tax increment financing pursuant to the IDB Act to provide funds to pay a portion of the cost of constructing certain public works associated with the Project, including infrastructure improvements, parking construction and other public improvements available for public use (including landscaping of municipal park-land), and utility improvements, (the "Public Improvements"). The costs of Public Improvements, as well as associated transaction costs, closing costs, and legal expenses are defined herein as "Public Improvements Costs." The proceeds of the tax increment financing will be used exclusively to pay a portion or all of the Public Improvements Costs within the Plan Area (as defined in Section 3 below) plus interest at the rate of the Company's loans, not to exceed five and 25/100 percent (5.25%) per annum (the "Interest Costs"), not to exceed the Maximum Contribution as provided in Section 4, below. "Public Infrastructure" is defined in Section 102(15) of Tennessee Code Annotated § 9-23-101, *et. Seq.* (the "TIF Uniformity Act"), and such definition encompasses, without limitation, the Public Improvements subject to this Economic Impact Plan. The Board and all applicable tax increment agencies hereby agree and determine that the use of all or a portion of the Available Increment (as defined in Section 5 below) to provide the Public Improvements for or related to the Project is necessary or desirable. The Board hereby agrees and determines that the Project is an eligible "project" within the meaning of Section 101(13) of the IDB Act.

3. **Boundaries of Plan Area**. The boundary of the area that would be subject to this Economic Impact Plan, and to the tax increment financing provisions described below (the "Plan Area"), is the Property and the real property located at the tax parcels shown on **Exhibit** attached hereto, which the Board hereby agrees and determines is the property that will directly benefit from the development of the Project. The Plan Area is hereby declared to be subject to this Economic Impact Plan, and the Project is hereby identified as the project that will be located within the Plan Area.

4. **Financial Assistance to Project**. The Board will provide financial assistance to the Company to pay Public Improvements Costs and Interest Costs by borrowing money pursuant to a non-recourse note (the "Note"), secured and repaid by the Available Increment, as defined in Section 5 below. The loan proceeds evidenced by the Note will be paid to the Company to reimburse the Company for paying all or a portion of the cost of constructing the Public Improvements Costs and the Interest Costs. The maximum amount that will be made available by the Board to the Company for such financial assistance shall be four hundred and eighty-three thousand, three hundred Dollars ($483,000), plus interest at the rate of the Company's loans, not to exceed five and 25/100 percent (5.25%) per annum (the "Maximum Contribution"). The provision of financial assistance for the Project and the Public Improvements Costs shall be conditioned on the following:

(a) The Company obtaining any and all plan approvals in connection with the Project required by The City of Greenbrier Planning and Zoning Board and other pertinent municipal agencies or departments.

(b) The Mayor or other appropriate agencies, departments, or officials shall approve all plans and specifications and the final cost for the Public Improvements in order to ensure, among other things, that the construction is sufficient for the City to accept the same for public purposes, that the utility improvements are acceptable to the appropriate utility providers, and that the pricing is appropriate.

(c) The Public Improvements work will be performed in a manner consistent with all of the normal planning and codes administration and bonding requirements for the type of work being performed by private companies and dedicated to the public, to the extent applicable.

(d) All pricing for the Public Improvements will be separate from that for the rest of the Project, and a copy of the price submissions by the contractors for their work on the Public Improvements will be provided to the appropriate City official and/or appropriate agency or department.

(e) The Public Improvements, other than the parking facilities and utility line, will be dedicated to the City upon completion, and the utility line portion of the Public Improvements is to be constructed in accordance with the requirements of the pertinent utility providers, and the Company will dedicate the same to the pertinent local utility providers upon final completion as applicable.

(f) The financing of Public Improvements Costs and Interest Costs shall be by a separate loan to the Board, which loan shall be evidenced by the Board's Note and funded to repay the Public Improvements Costs upon completion thereof. The Company shall provide the the Board with a copy of receipts for the payment the Public Improvements Costs, and the Board's Note shall be amortized by applying all of the Available Increment received first to interest and then to principal, and shall provide a record of all payments and balance due upon request by the Board.

(g) The Board Note may be prepaid in full at any time without premium or penalty. Upon such payment all real property taxes shall be paid directly to and retained by the County and the City according to their proportionate share, and this Economic Impact Plan shall end.

5. **Expected Benefits to the County and City**. The County and City expect to benefit in many ways from the provision of the Project. The reputation of the County and City as a place for business and commerce will be enhanced as a direct result of the Project. The Project will entail approximately $2,000,000 of capital investment in the Plan Area. The City will become more modernized as a result of the Project through the elimination and improvement of antiquated utility infrastructure and the beautification of the City's main thoroughfare. Visitors to the Project will lead to increased sales in the County and the City, which will increase the associated tax revenues with respect thereto. This will enhance the livability of the community by providing a greater ability to compete for retail sales with other counties and cities in the area. Sales and use tax on the construction of the Project and building permit fees will be positively affected by the Project, and construction and equipping of the Project will create a number of construction jobs.

The Assessor of Property estimates that the buildings being constructed on the Property will eventually have a tax appraisal valuation of approximately $6,910,000. Based upon current rates, the tax attributable to the Plan Area upon completion of the Project is expected to generate about $71,198 in County property taxes per annum (the "County New Tax Amount") and about $43,395 in City property taxes per annum (the "City New Tax Amount").

In 2018, the Plan Area generated $6,402 in County property taxes (the "County Base Tax Amount") and $2,659 in City property taxes (the "City Base Tax Amount").

The "County Increment" is the amount of the County New Tax Amount ***less*** the County Base Tax Amount. Based on the foregoing assumptions, the County Increment will be approximately $64,796 per annum. The "City Increment" is the amount of the City New Tax Amount ***less*** the City Base Tax Amount. Based on the foregoing assumptions, the City Increment will be approximately $40,735 per annum.

The "Available Increment" is defined as the ***sum*** of (1) and (2) below:

(1) For the County, the County Increment ***less*** (i) the Dedicated Taxes, defined in the TIF Uniformity Act as "that portion of property taxes, if any, designated by a taxing agency to pay debt service on the taxing agency's debt," which in 2019 is expected to be approximately 19% of the total County property taxes, and (ii) the

percentage per annum of County property taxes specifically budgeted for education, which in 2019 is approximately 35% of the total County property taxes, ***and***

(2) For the City, the City Increment ***less*** any Dedicated Taxes, which in 2019 is 0% of the total City property taxes.

Based on the foregoing assumptions, the Available Increment will be approximately $70,542 per annum. This includes approximately $29,806 per annum from the County (46% of the County Increment after subtraction of Dedicated Taxes and taxes budgeted for education) and $40,735 per annum from the City (100% of the City Increment).

The provision of financial assistance for the Project shall be conditioned on the compliance by the Company with this Economic Impact Plan and the Project Agreement.

6. **Distribution of Property Taxes**. Subject to the provisions of Section 312(j) of the Act, property taxes, including personal property taxes, imposed on the property located within the Plan Area shall be allocated and distributed in accordance with 312(c) of the Act as follows:

(a) The portion of the real and personal property taxes that were payable with respect to the Plan Area for the year prior to the date of approval of this Economic Impact Plan (the "Base Tax Amount") shall be allocated to and, as collected, paid to the City and County as all other taxes levied by the City and County on all other properties; provided, however, that in any year in which the taxes on the property within the Plan Area are less than the Base Tax Amount, there shall be allocated and paid to the City and County only the taxes actually imposed; and

(b) The Available Increment shall be allocated to and, when collected, paid into a separate fund of the Board established to hold such payments until applied to pay debt service on the Note.

(c) Taxes on the real property within the Project Area will be distributed as provided in this Section of the Economic Impact Plan for a period equal to the lesser of (a) the point in time when the Note is repaid, with interest, or (b) the first twelve (12) years of Available Increment payments have been paid against the Note beginning at such time immediately following the assessment of the Plan Area following the completion of the Project (i.e., a certificate of occupancy is issued for any of the buildings in the Plan Area), it being understood that after this period, all property taxes in the Plan Area shall be allocated to and paid to the City and County as all other property taxes levied by the City and County on all other property.

7. **Qualified Use**. The Board, the City, and the County, by the adoption of this Economic Impact Plan, find that the use of the Available Increment as described herein is in furtherance of promoting economic development in the City and the County, and that the use of the Available Increment as provided herein will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare, and will alleviate conditions of unemployment; that the construction and equipping of the Project will be necessary and

advantageous to the Board in furthering the purposes of the IDB Act; and the Public Improvements Costs and the Interest Costs to be financed as described herein are costs of the Project.

8. **Approval Process**. Pursuant to Section 312 of the IDB Act, the process for the approval of this Economic Impact Plan is as follows:

(a) The Board shall hold a public hearing relating to the proposed Economic Impact Plan after publishing notice of such hearing in a newspaper of general circulation in the City and the County at least two (2) weeks prior to the date of the public hearing. The notice must include the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public. Following such public hearing, the Board will submit this Economic Impact Plan to the City and the County for approval.

(b) The governing body of the City and the County must approve this Economic Impact Plan for this Economic Impact Plan to be effective. Pursuant to the IDB Act, this Economic Impact Plan may be approved by resolution of the governing body of the City and the County, whether or not the local charter provisions of the governing body provide otherwise.

(c) Once the Economic Impact Plan has been approved by the governing body of the City and the County, the clerk or other recording official of the City and the County shall transmit the following to the appropriate tax assessors and taxing agency affected: (a) a copy of the description of the property within the Plan Area, and (b) a copy of the Resolution approving the Economic Impact Plan, and any and all other filing required under the TIF Uniformity Act.

(d) The Board will file with the Tennessee Comptroller of the Treasury a copy of the materials in Section 8(c) above and by October 1 of each year the Company will file with the Comptroller an annual statement of all tax increment revenues allocated under this Economic Impact Plan.
