Re: Request for Rezoning Map Amendment

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 1.85 acre tract of land. The subject property may be found on Tax Map 98, Parcel 79, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Ridge Road, in the 14th Civil District, 7th Voting District.

The property is currently zoned, 'AG-2', we are wishing to rezone the lot to RP80. We are wishing to divide the tract into two lots, in order to create a building lot for my daughter and her family to construct a new home on the property. We understand that if the rezoning application is approved we will then be required to submit a Final Plat to the Planning Commission, as well as, all other approving agencies for approval.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,

Gabrielle Crittenden

Re: Request for Rezoning

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 2.45 acre tract of land. The subject property may be found on Tax Map 130, part of Parcel 138 and part of Parcel 138.06, in the Tax Assessor's Office for Robertson County, Tennessee. The property is served by a 30' Ingress, Egress and Utility easement which provides public access from the subject property to Albert Fentress Road, in the 16th Civil District, 6th Voting District.

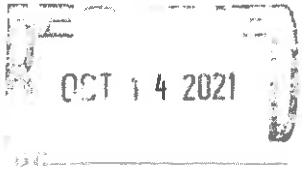

The property is currently zoned, 'RP80'. We are wishing to reconfigure property lines between this tract and Lot 2 of the T.E. Roberts Subdivision as currently recorded. We understand that the existing mobile homes will have to be removed before the recording of the Final Plat of the proposed lot. We also understand that a replat Lot 2 shall be required in order to change the lot lines. Furthermore, we understand that deeds will have to be prepared in order to swap properties among ourselves.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Re: Request for Rezoning Request

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 5.81 acre tract of land. The subject property may be found on Tax Map 62, part of Parcel 99, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Cedar Grove Road and Rock House Road, in the 15th Civil District, 1st Voting District.

The property is currently zoned, 'AG-2', we are wishing to rezone the property to 'R40'. We are wishing to develop this property into three (3) residential lots for the construction of new homes. We understand that if this request is granted, appropriate plats and plans, shall be submitted to the Planning Commission, as well as, all other governmental agencies affected for approval.

Thank you for your cooperation with this matter and if we may assist you in any manner please contact us at your earliest convenience.

Sincerely,

RESOLUTION TO NOT CHARGE A WHEEL TAX TO QUALIFIED ROBERTSON COUNTY ACTIVE-DUTY MILITARY PERSONNEL

WHEREAS, Robertson County has previously implemented a local wheel tax by action of the Robertson County Commission beginning in 1995 and thereafter by public referendum as provided by State Law, with the current wheel tax being set at $85.25 per vehicle for vehicles registered in Robertson County, Tennessee; and

WHEREAS, it has been proposed by the County Clerk to collect no local wheel tax for qualified Robertson County active-duty military personnel; and

WHEREAS, the County Clerk has provided certain forms and recommended documents for use in the administrative process of these refunds, said forms and information documents attached hereto as Exhibit "A"; and

WHEREAS, the Budget Committee has approved this recommendation of the County Clerk, and it is the purpose of this Resolution likewise to so approve this refund process.

NOW, THEREFORE BE IT RESOLVED, by the Robertson County Commission, meeting in regular session this the 15th day of November, 2021, that the proposal to waive collection of the local wheel tax for qualified Robertson County active-duty military personnel is hereby adopted, as are those suggested forms and rules of qualification as attached hereto. The County Clerk is authorized in her sole discretion to make additional and/or future changes in said forms as desirable or needed.

Passed this the 15th day of November 2021, to be effective on the date of its passage, but to be implemented on January 1, 2022, the public welfare requiring it.

RESOLUTION NO. 111521133

A RESOLUTION TO RESCIND RESOLUTION NO. 111813099, AS AMENDED

WHEREAS, by action of the Robertson County Commission, meeting in regular session on the 18th day of November, 2013, a Resolution was presented, copy attached as Exhibit "A" hereto, regarding the means and method of construction for all County buildings; and

WHEREAS, said original Resolution as drafted was amended from the floor of the Commission meeting to provide that construction for any County buildings would "only" be funded by means of a general contractor hard bid method; and

WHEREAS, upon review by the County Building and Grounds Committee and the Budget Committee, it is believed that it is in the best interest of the County to allow any recognized and reputable means of construction to be allowed in the construction of County buildings, and thus it is the intent of this Resolution to rescind in its entirety Resolution No. 111813099, both as drafted in its original form and as amended.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Legislative Body meeting in regular session on this 15th day of November 2021, that Resolution No. 111813099 both in its original drafted form and as amended from the floor upon final passage, is hereby rescinded, excepting that before any contract is executed for County School construction projects, the Board of Education shall have previously consulted with representatives of the Robertson County Commission regarding the nature of the contract and the recommended method of such construction for any school construction project.

Passed this the 15th day of November 2021, to be effective on the date of its passage, the public welfare requiring it.

RESOLUTION NO. 111813099

RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ROBERTSON COUNTY, TENNESSEE REGARDING FUTURE BUILDING PROJECTS, INCLUDING A NEW SOUTH SPRINGFIELD ELEMENTARY SCHOOL

WHEREAS, there has been much discussion over the last several months concerning the need for a new South Springfield Elementary School; and

WHEREAS, such discussion has led County officials to review the means and method by which recent County related buildings have been constructed; and

WHEREAS, the Robertson County Commission recognizes that it is the function of the Robertson County Board of Education to plan for the educational needs of the County, including the need for new buildings and/or remodeling of school buildings; and

WHEREAS, the County Commission also recognizes that the County Commission is the sole funding body of the County for the revenue for any County construction project, and that the implantation of any building project by the School Board or any agency or division of the County requires the funding approval of the County Commission; and

WHEREAS, the Budget Committee of the County Commission has reviewed the various means by which County public building projects, including schools, have been built over the past few years and has recommended to the County Commission that all future building projects, including the proposed South Springfield Elementary School project, be built and funded by a method that provides for competitive bids such that both the County Board of Education and the County Commission can provide complete transparency for the use of the County funds; and

WHEREAS, the Robertson County Commission now desires to adopt this Resolution to provide that from the passage of this Resolution forward, any Capital Improvement project including the new South Springfield Elementary School, that may require funding by the Robertson County Commission will be publicly advertised and competitively bid, and that Robertson County will no longer rely on any single source method of procurement; and

WHEREAS, this Resolution would apply to all County public building projects and contracts, regardless of whether the method and means be:

1. Traditional hard bid method:

   That may call for a traditional means by which the County or its related departments including the School Board retains an architect who drafts the plans and specifications for the project, and then the County or its agencies receive competitive bids from licensed general contractors;

2. Project Developer -- possible not to exceed type method.

   That may call for the construction project to engage either directly or through a separate Public Building Authority, a Project Developer, who may offer plans and

specification for the project linked with a related architect or in conjunction with a separate architect, where the project would be built by the Developer bidding out all underlying construction contracts for materials or services, who may offer the County a not to exceed final figure of construction, would oversee the project in its entirety, and may share saving for the project, but in which any profit made by the Developer on the project is unknown or undisclosed to the County; or

3. Design Build method.

That may call for a team approach that includes an architect and contractor or builder, also by which there may be bids for all underlying components of the construction project, but in which the profit retained by the principals of the design build team is unknown or undisclosed to the County.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners as follows:

No funding shall be furnished by the Robertson County Commission for any County public building project undertaken by the County, the County Board of Education, or any other agency or division of the County that relies upon County Commission funding approval, unless the proposed contracts and means of the project shall have received competitive bids for all phases and participants in the project.

BE IT FURTHER RESOLVED that this does not preclude any particular method of construction of a County related building, but only provides that if for example a project developer method is chosen, that there be competitive bids received by project developers for the project. The same would hold true if the method of construction chosen was that of a general contractor, of a design build team, or such other possible methods of construction.

BE IT FURTHER RESOLVED, that nothing herein shall preclude the County, School Board or other agency of the county from entering into a professional services contract with a licensed architect to prepare plans and specifications for a proposed County project.

BE IT FURTHER RESOLVED that the Robertson County Commission hereby expresses its intention that no one otherwise eligible to bid be excluded from the bidding process and that the bidding process be open to all eligible contractors, subcontractors, companies, regardless of the concept of construction, and that thus the public shall be fully aware of the actual cost of construction of a County Project and thus have more confidence in their elected officials and the Project.

Resolution No. 111521135
Requested by: _____

RESOLUTION TO APPROVE THE ECONOMIC IMPACT PLAN FOR A TAX INCREMENT FINANCING PROGRAM AND ASSOCIATED INCENTIVE TO BRANDON FRANK CONSTRUCTION, LLC AS REQUESTED BY THE INDUSTRIAL DEVELOPMENT BOARD OF THE COUNTY OF ROBERTSON

WHEREAS, the Industrial Development Board of the County of Robertson (the "Board"), is a public, nonprofit corporation organized and existing under, and by virtue of, the provisions of Chapter 53, Title 7, Tennessee Code Annotated, as amended (the "IDB Act"); and

WHEREAS, the purpose of said IDB Act, as stated therein, being to authorize the incorporation in the several municipalities in the State of Tennessee of public corporations to finance, acquire, construct, own, lease, equip and/or dispose of properties to the end that such corporations may be able to, among other things, maintain and increase employment opportunities by promoting industry, trade, commerce, tourism, and recreation by inducing manufacturing, industrial, governmental, educational, financial service, commercial, and recreational enterprises to locate or to remain in the State of Tennessee; and

WHEREAS, the Board desires to induce Brandon Frank Construction, LLC, a Tennessee limited liability company (the "Company"), to undertake a "project" (the "Project"), within the meaning of the IDB Act, consisting of the construction of a mixed-used retail (including restaurant) and office project and related Public Improvements (as defined in Section 2 of the Economic Impact Plan), located in Greenbrier, Tennessee, Robertson County, Tennessee; and

WHEREAS, the Board is authorized by the IDB Act to, among other things, prepare and submit to the Board of Commissioners of Robertson County, Tennessee (the "County") and the City of Greenbrier Board of Mayor and Alderman (the "City"), for their approval, an economic impact plan pursuant to Section 312 of the IDB Act; and

WHEREAS, the Board held a public hearing relating to the proposed "Economic Impact Plan for the Town Square Commons Development Area" (the "Economic Impact Plan"), attached hereto as **Exhibit A** and incorporated herein by reference, and approved the Economic Impact Plan, pursuant to which the Board would provide financial assistance to fund a portion of Public Infrastructure Costs (as defined in Section 2 of the Economic Impact Plan) by borrowing money under a nonrecourse note (the "Note"), secured and repaid by a portion of the property tax increment as described in Section 4 of the Economic Impact Plan; the maximum amount that will be made available by the Board to the Company for this financial assistance will be Five Million Dollars ($5,000,000), plus interest paid on the Note at an interest rate not to exceed five and 25/100 percent (5.25%) per annum, transaction costs, closing costs, and certain legal expenses (the "Incentive"); and

WHEREAS, the Board is authorized by law and has deemed it necessary to provide the Incentive pursuant to the terms of a certain Project Agreement (the "Project Agreement"), to be

entered into with the Company, a copy of the current draft of which has been presented at this meeting of the County Commission, it being understood that the Board may approve such changes to the form of this agreement as it deems to be necessary or desirable; and

WHEREAS, the County has been asked to approve the Economic Impact Plan and the Incentive to the Company.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Robertson County, meeting in regular session, this the 15th day of November, 2021, hereby finds as follows:

1. Findings with Respect to the Project. The County hereby finds with respect to the Project that the use of the Incentive to fund the Project Infrastructure Costs is necessary and desirable; that the Plan Area (as defined in Section 3 of the Economic Impact Plan) is within an area that could provide substantial sources of tax revenues to the City and the County; that the use of the Incentive is in furtherance of promoting economic development in the City and the County; that the use of the Incentive will develop trade and commerce in and adjacent to Robertson County, Tennessee, will contribute to the general welfare, and will alleviate conditions of unemployment; and that the construction and equipping of the Project will be necessary and advantageous to the Board in furthering the purposes of the IDB Act.

2. Approval of the Incentive and the Economic Impact Plan. The form, content, and provisions of the Economic Impact Plan, and the grant of the Incentive as contemplated herein and in said Economic Impact Plan, are hereby in all particulars approved; and the Mayor is hereby authorized, empowered, and directed to execute, acknowledge, and deliver said Economic Impact Plan, in substantially the form now before this meeting of the Robertson County Board of Commissioners, or with such changes therein as shall be approved by the Mayor executing the same, his execution thereof to constitute conclusive evidence of their approval of any and all such changes or revisions, in the name, and on behalf, of the County.

The Mayor and all departments and agencies of the County, are hereby authorized, empowered, and directed, from and after the date hereof, to do all acts and things, and to execute all documents with the Company, the Board and/or the City as may be necessary or convenient to carry out, and to comply with the provisions of said Economic Impact Plan.

3. Miscellaneous Acts. The Mayor or the County Clerk, or either one of them, are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, memoranda and certifications, certifications hereinbefore authorized and approved, as may, in his or her discretion, be necessary or desirable to implement or comply with the intent of this Resolution, or any of the documents herein authorized and approved, or for the granting and implementation of the Incentive or the undertaking of the Project by the Company for the foregoing purposes, including without limitation, the execution, delivery and recordation of any memoranda, certificates or other

documents or instruments as they may deem necessary or desirable in connection with the foregoing.

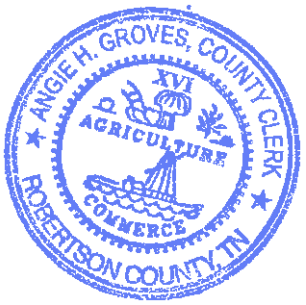

4. Limited Obligation and Liability. The obligations of the Board under the Economic Impact Plan (the "Obligations"), and any payments or borrowing with respect thereto, are limited obligations of the Board and shall not be deemed to constitute a general debt or liability of the Board or County, except insofar as the Available Increment (as defined in Section 5 of the Economic Impact Plan) has been received by the Board and the same is payable in accordance with the provisions of the Economic Impact Plan and in the Project Agreement referenced therein.

5. Captions. The captions or headings in this Resolution are for convenience only and shall in no way define, limit, or describe the scope or intent of any provision hereof.

6. Partial Invalidity. If any one or more of the provisions of this Resolution, or of any exhibit or attachment thereof, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Resolution, and the exhibits and attachments thereof, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

ECONOMIC IMPACT PLAN

INDUSTRIAL DEVELOPMENT BOARD OF THE COUNTY OF ROBERTSON

ECONOMIC IMPACT PLAN
FOR
THE NELSON'S RESERVE DEVELOPMENT AREA

1. **Authority for Economic Impact Plan.** Industrial development corporations are authorized under Section 312 of Tennessee Code Annotated § 7-53-101, *et. seq.* (the "IDB Act") to prepare and submit to cities and counties an economic impact plan with respect to an area that includes a project within the meaning of the IDB Act and such other properties that the industrial development board determines will be directly improved or benefited due to the undertaking of such project. The IDB Act also authorizes cities and counties to apply and pledge new incremental tax revenues, which arise from the area subject to the economic impact plan, to the industrial development corporations to pay the cost of projects or to pay debt service on bonds or other obligations issued by industrial development corporations to pay the cost of projects. The Industrial Development Board of the County of Robertson (the "Board") desires to adopt this Economic Impact Plan pursuant to the IDB Act to provide an incentive in order to induce Brandon Frank Construction, LLC, a Tennessee limited liability company (the "Company"), to undertake the Project (as defined hereinbelow) as provided herein.

2. **The Project.** The City of Greenbrier Board of Mayor and Aldermen (the "City") intends to support the development by the Company of the Nelson's Reserve Development Area, being the property described on **Exhibit A** (the "Property"), located in Greenbrier, Tennessee. The proposed development includes constructing a mixed-use retail (including restaurant) and office project (the "Development"), on a portion of the Property, and constructing certain Public Infrastructure within the Plan Area, including utility improvements, parking lots and facilities, traffic signals and other public improvements that are available for public use, sidewalks, storm water and drainage improvements and site preparation and demolition within areas within which the Public Infrastructure shall be located (the "Public Improvements"). The Board hereby agrees and determines that the Development and the Public Improvements (collectively the "Project") is an eligible "project" within the meaning of Section 101(15) of the IDB Act. In order to make the Project financially feasible, the Board intends, subject to the approval of the City and the Robertson County Board of Commissioners (the "County") of this Economic Impact Plan, to engage in tax increment financing pursuant to the IDB Act to provide funds to pay a portion of the cost of constructing certain Public Infrastructure within the Plan Area, including utility improvements, parking lots and facilities, traffic signals and other public improvements that are available for public use, sidewalks, storm water and drainage improvements and site preparation and demolition within areas within which the Public Infrastructure shall be located (the "Public Improvements"). "Public Infrastructure" is defined in Section 102(15) of Tennessee Code Annotated § 9-23-101, *et. Seq.* (the "TIF Uniformity Act"). The costs of Public Improvements, as well as associated transaction costs, closing costs, and legal expenses are defined herein as "Public Improvements Costs." The Board and all applicable tax increment agencies hereby agree and determine that the use of all or a portion of the Available Increment (as defined in Section 5 below) to provide the Public Improvements within the Plan Area is necessary or desirable.

3. **Boundaries of Plan Area**. The boundary of the area that would be subject to this Economic Impact Plan, and to the tax increment financing provisions described below (the "Plan Area"), is the Property, the tax parcels with respect to which are shown on **Exhibit B** attached hereto. The Plan Area includes certain residential buildings, which are not within the definition of the Project. The Board hereby agrees and determines that the Plan Area is the property that will directly benefit from the development of the Project. The Plan Area is hereby declared to be subject to this Economic Impact Plan, and the Project is hereby identified as the project that will be located within the Plan Area.

4. **Financial Assistance to Project**. The Board will provide financial assistance to the Company by borrowing money pursuant to a non-recourse note (the "Note"), secured and repaid by the Available Increment, as defined in Section 5 below. The loan proceeds evidenced by the Note will be paid to the Company to reimburse the Company for paying all or a portion of the Public Improvements Costs and the Interest Costs. The maximum amount that will be made available by the Board to the Company for such financial assistance shall be Five Million Dollars ($5,000,000), plus interest at the rate of the Company's loans, not to exceed five and 25/100 percent (5.25%) per annum (the "Maximum Contribution"). The provision of financial assistance for the Public Improvements Costs shall be conditioned on the following:

(a) The Company obtaining any and all plan approvals in connection with the Project required by The City of Greenbrier Planning and Zoning Board and other pertinent municipal agencies or departments.

(b) The Public Improvements work will be performed in a manner consistent with all of the normal planning and codes administration and bonding requirements, if any, for the type of work being performed by private companies and dedicated to the public, to the extent applicable (it being acknowledged that not all of the Public Improvements shall be so dedicated).

(c) The Public Improvements, located in public rights of way will, if requested by the City, be dedicated to the City upon completion, and the utility line portion of the Public Improvements is to be constructed in accordance with the requirements of the pertinent utility providers, and the Company will dedicate the same to the pertinent local utility providers upon final completion as applicable, if requested.

(d) The financing of Public Improvements Costs and Interest Costs shall be by a separate loan to the Board, which loan shall be evidenced by the Board's Note and funded to repay the Public Improvements Costs upon completion thereof. The Company shall provide the Board with a copy of receipts for the payment the Public Improvements Costs, and the Board's Note shall be amortized by applying all of the Available Increment received first to interest and then to principal, and shall promptly provide a record of all payments and the balance due upon request by the Board.

(e) The Board Note may be prepaid in full at any time without premium or penalty. Upon such payment all real property taxes shall be paid directly to and retained by the County and the City according to their proportionate share, and this Economic Impact Plan shall end.

5. **Expected Benefits to the County and City**. The County and City expect to benefit in many ways from the provision of the Project. The reputation of the County and City as a place for business and commerce will be enhanced as a direct result of the Project. The capital investment in the Plan Area is expected to exceed $57,000,000. The City will become more modernized as a result of the Project through the elimination and improvement of antiquated utility infrastructure and the beautification of the City. Visitors to the Project will lead to increased sales in the County and the City, which will increase the associated tax revenues with respect thereto. The Project will enhance the livability of the community by providing a greater ability to compete for retail sales with other counties and cities in the area, and provide new and enhanced office space in the City. Sales and use tax on the construction of the Project and building permit fees will be positively affected by the Project and other investments in the Plan Area, and construction and equipping of the Project will create a number of construction jobs.

The Assessor of Property estimates that the land and buildings being constructed on the Property will eventually have a tax appraisal valuation of approximately $45,280,000. Based upon current rates, the real property tax attributable to the Plan Area upon completion of the Project is expected to generate about $348,004 in County real property taxes per annum (the "County New Tax Amount") and about $212,107 in City real property taxes per annum (the "City New Tax Amount").

In 2020, the Plan Area generated $6,659 in County real property taxes (the "County Base Tax Amount") and $4,050 in City real property taxes (the "City Base Tax Amount").

The "County Increment" is the amount of the County New Tax Amount ***less*** the County Base Tax Amount. Based on the foregoing assumptions, the County Increment will be approximately $341,345 per annum. The "City Increment" is the amount of the City New Tax Amount ***less*** the City Base Tax Amount. Based on the foregoing assumptions, the City Increment will be approximately $208,049 per annum.

The "Available Increment" is defined as the ***sum*** of (1) and (2) below:

(1) For the County, the County Increment ***less*** (i) the Dedicated Taxes, defined in the TIF Uniformity Act as "that portion of property taxes, if any, designated by a taxing agency to pay debt service on the taxing agency's debt," which in 2021 is expected to be approximately 19% of the total County property taxes, and (ii) 35% per annum of County property taxes reserved for education, ***and***

(2) For the City, the City Increment ***less*** any Dedicated Taxes, which in 2020 is 0% of the total City property taxes.

Based on the foregoing assumptions, the Available Increment will be approximately $365,068 per annum. This includes approximately $157,019 per annum from the County (46% of the County Increment after subtraction of Dedicated Taxes and 35% for education) and $208,049 per annum from the City (100% of the City Increment).

The provision of financial assistance for the Public Improvements shall be conditioned on the compliance by the Company with this Economic Impact Plan and the Project Agreement to be entered into by and between the Board and the Company to implement the incentive hereunder.

6. **Distribution of Property Taxes**. Subject to the provisions of Section 312(j) of the Act, real property taxes imposed on the property located within the Plan Area shall be allocated and distributed in accordance with 312(c) of the Act as follows:

(a) The portion of the real property taxes that were payable with respect to the Plan Area for the year prior to the date of approval of this Economic Impact Plan (the "Base Tax Amount") shall be allocated to and, as collected, paid to the City and County as all other taxes levied by the City and County on all other properties; provided, however, that in any year in which the real property taxes on the property within the Plan Area are less than the Base Tax Amount, there shall be allocated and paid to the City and County only the real property taxes actually imposed; and

(b) The Available Increment shall be allocated to and, when collected, paid into a separate fund of the Board established to hold such payments until applied to pay debt service on the Note.

(c) Taxes on the real property within the Project Area will be distributed as provided in this Section of the Economic Impact Plan for a period equal to the lesser of (a) the point in time when the Note is repaid, with interest, or (b) the first fifteen (15) years of Available Increment payments have been paid against the Note beginning with calendar year 2025 and through calendar year 2039. It is understood that after this period, all real property taxes in the Plan Area shall be allocated to and paid to the City and County as all other property taxes levied by the City and County on all other property.

7. **Qualified Use**. The Board, the City, and the County, by the adoption of this Economic Impact Plan, find that the use of the Available Increment as described herein is in furtherance of promoting economic development in the City and the County, and that the use of the Available Increment as provided herein will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare, and will alleviate conditions of unemployment; that the construction of the Project will be necessary and advantageous to the Board in furthering the purposes of the IDB Act.

8. **Approval Process**. Pursuant to Section 312 of the IDB Act, the process for the approval of this Economic Impact Plan is as follows:

(a) The Board shall hold a public hearing relating to the proposed Economic Impact Plan after publishing notice of such hearing in a newspaper of general circulation in the City and the County at least two (2) weeks prior to the date of the public hearing. The notice must include the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public. Following such public hearing, the Board will submit this Economic Impact Plan to the City and the County for approval.

(b) The governing body of the City and the County must approve this Economic Impact Plan for this Economic Impact Plan to be effective. Pursuant to the IDB Act, this Economic Impact Plan may be approved by resolution of the governing body of

the City and the County, whether or not the local charter provisions of the governing body provide otherwise.

(c) Once the Economic Impact Plan has been approved by the governing body of the City and the County, the clerk or other recording official of the City and the County shall transmit the following to the appropriate tax assessors and taxing agency affected: (a) a copy of the description of the property within the Plan Area, and (b) a copy of the Resolution approving the Economic Impact Plan, and any and all other filing required under the TIF Uniformity Act.

(d) The Board will file with the Tennessee Comptroller of the Treasury a copy of the materials in Section 8(c) above and by October 1 of each year the Company will file with the Comptroller an annual statement of all tax increment revenues allocated under this Economic Impact Plan.

RESOLUTION NO. 111521136

RESOLUTION TO TRANSFER FUNDS FROM GENERAL PURPOSE SCHOOL FUND TO FEDERAL PROJECTS FUND FOR FISCAL YEAR ENDING JUNE 30, 2022

WHEREAS, Federal Projects grants operate on a reimbursement basis and funds are requested from the State of Tennessee by the Robertson County School System for non-payroll expenditures on a monthly basis; and,

WHEREAS, the Federal Projects Fund operates with a cash deficit at various times throughout the fiscal year due to a slow turn-around time for reimbursements from the State of Tennessee; and,

WHEREAS, Generally Accepted Accounting Principles (GAAP) consider a cash deficit in any fund to be a significant deficiency in internal control; and,

WHEREAS, Robertson County School System does not desire to operate any fund with a cash deficit.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the Robertson County School System, a School District in Tennessee, meeting in regular session on this 8th day of November, 2021, and by the County Commission of Robertson County, a County in Tennessee, meeting in called session on this 15th day of November, 2021, that:

SECTION 1. The General-Purpose School Fund shall transfer $300,000 to the Federal Projects Fund on November 30, 2021.

SECTION 2. The $300,000 transfer shall remain in the Federal Projects Fund as a designated fund balance from the General-Purpose School Fund and may be repaid at any time as noted in a resolution passed by the Board of Education and County Commission.

SECTION 3. This Resolution will take effect on November 30, 2021. The Secretary of the Board of Education shall include this Resolution in the minutes of the Robertson County School System. The County Clerk shall include this Resolution in the minutes of Robertson County.
