**Subject: City of Greenbrier municipal building**

Mr. Richert,

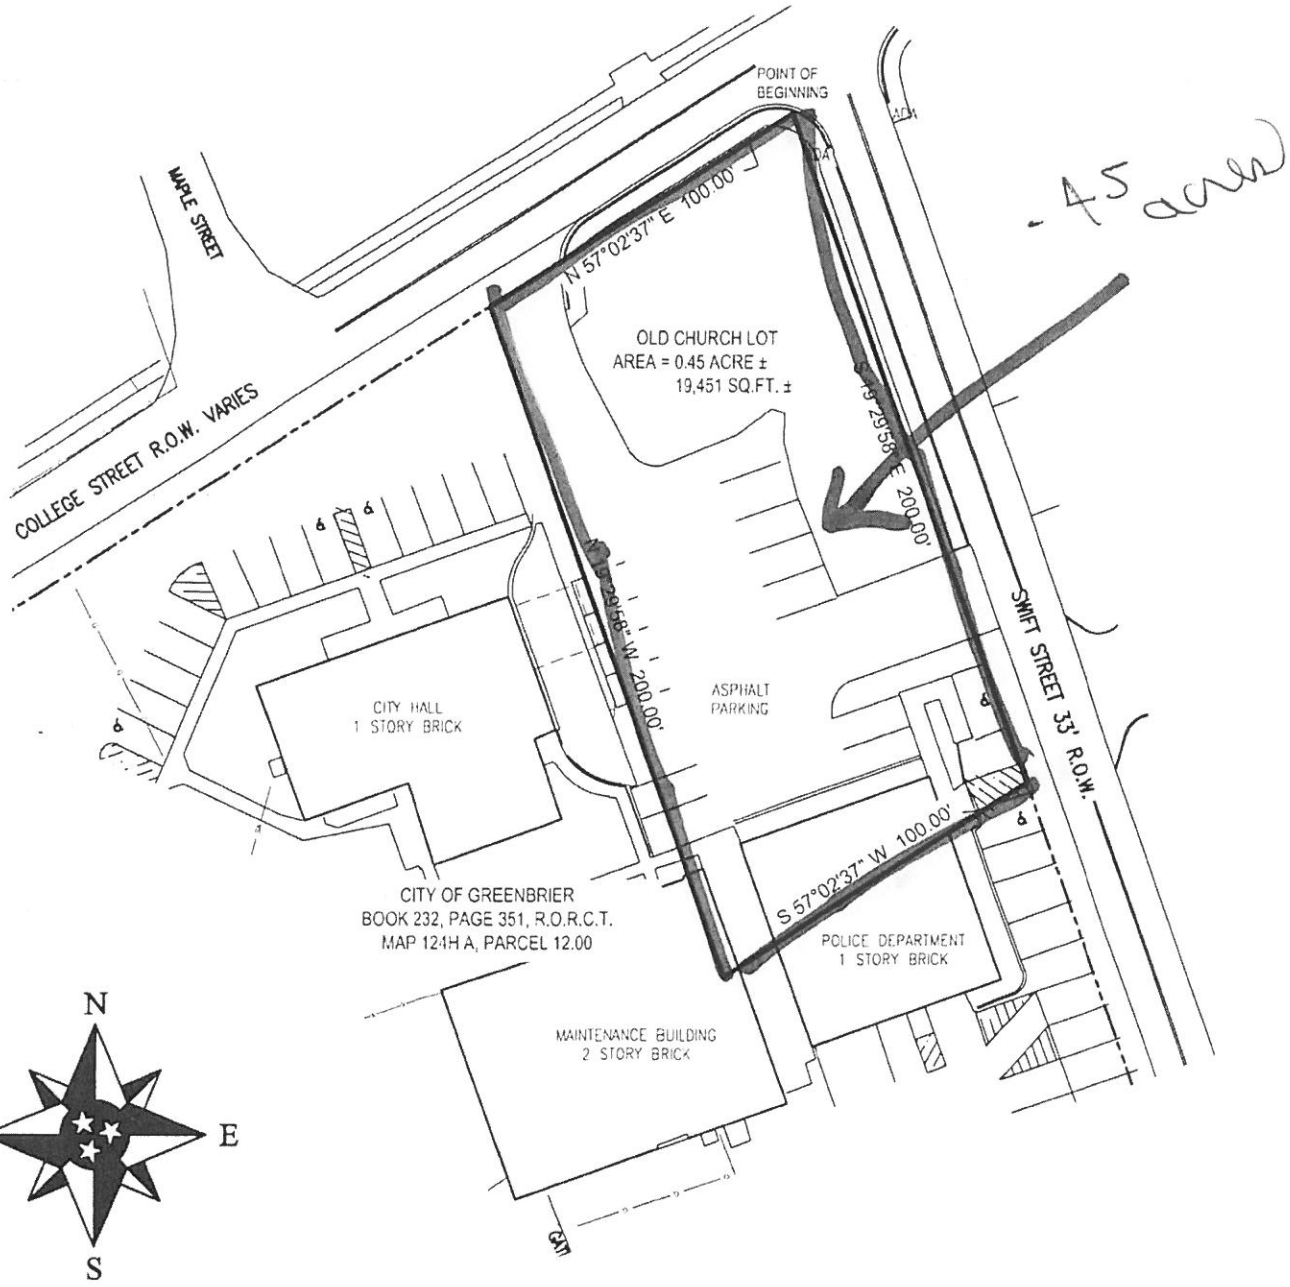

Thank you for taking the time to speak with me on Friday regarding title issues relating to property Robertson County conveyed to the City of Greenbrier in 1981.

As we discussed, in the process of the planning related to construction of a new municipal building in Greenbrier, it was discovered that there is a small portion of property (approximately .45 acres) which was excluded from an earlier conveyance in 1981 from Robertson County to Greenbrier. Attached for your review is a copy of that deed dated March 20, 1981 and recorded in Deed Book 232 (I can't read the page number on my copy), but there is also a reference to Note Book 21, page 32. Based on our title work, it appears that there was an "old church lot" referenced on this deed that's included in the parcel but wasn't included in the deed. This portion (the approximately .45 acres) was previously conveyed by deed to "Robertson County, Tennessee for the use and benefit of the Robertson County Board of Education" recorded in Deed Book 131, page 471. There is a resolution passed in Minute Book J, page 359 approving a resolution authorizing the transfer of title of the old Greenbrier Junior High School property to the City of Greenbrier (referenced in the 1981 deed), but for some reason, this portion of the property was not included in the 1981 deed. The City has used the property for many years, and in fact a portion of the police building, parking lot, etc. are now on this tract.

Please let me know whether Robertson County is willing to convey title to this .45 acre tract to the City of Greenbrier. I am also attaching a survey of the property showing the tract, as well as a legal description for the tract that can be used in a deed.

Please let me know if you have any questions, or need any additional information.
