December 13, 2023

From: Brent Dyer, Director, Robertson County Emergency Medical Services

Re: December 2023 Report from the EMS Department

Mayor and Commissioners,

As you know, it has been a busy week for our community. Last Saturday, some of us came in to the office ahead of the storms due to the patterns we were seeing and some preliminary reports that had began to come in from the National Weather Service. I am glad we activated a standby command early given the events that unfolded. Montgomery County's EMS Chief called me and requested help. At that time, we hadn't experienced any severe weather ourselves. We did work with the other surrounding counties to help bring resources in to keep all areas well covered as we deployed two ambulances to Clarksville to assist.

With other Counties needing help and the impending weather, some of our off-duty personnel came in from home to staff ambulances. This proved to be a very good decision and worked very well to help meet the demand for EMS resources. I cannot say enough good about everyone involved in the emergency response of this. I am proud of our Emergency Management Office, Director Holmes and Deputy Director Pierce have really done a great job taking care of the needs of our community in their area of expertise. We are so blessed nobody suffered serious injuries or death from the storms here in Robertson County.

To follow up on some building and grounds reports... In last month's building and grounds committee meeting, I reported information I was provided from the architect working with the County through our Planning and Development Office regarding proposed projects at the Cedar Hill and Coopertown EMS Stations. The B&G Committee asked us to gather this information so it would be available for further/future considerations.

In the last Budget Committee meeting, I presented a request from the Dr. Scott Jordan who has served as Robertson County's medical examiner since 2004. Dr. Jordan had reached out in October to request an increase in his pay for the work he does attending death cases for the County. Dr. Jordan advised that he had been making $1500/month and hadn't had any increases in around a decade. The EMS Committee approved me to take the request to the Budget Committee and the Budget Committee approved the request to add an additional $3,000 to complete this fiscal year. This will provide funds to pay Dr. Jordan the requested $2,000/month beginning January 2024 through the end of FY 23-34. This

does not come from the EMS budget, but rather comes from a miscellaneous line for the County's budget such as where we pay for autopsies from. However, it does pertain to the operations we provide through the EMS Department, so I presented the request. I feel like it was a fair and justified request given the increased workload in death cases and updated paperwork requirements demanding more of Dr. Jordan's time. I appreciate both Committee's approval to allow this. We also greatly appreciate the work Dr. Jordan has done for Robertson County over the years providing this service.

The EMS/EMA Annual Christmas Dinner and Awards Banquet will be Thursday evening, December 14, 2023 from 6 – 8 PM at the Fairgrounds in the old armory building. We appreciate the Fair Board allowing us to use the facilities for free to hold this event. All Commissioners and your family are welcome to attend.

Lastly, the EMS Committee decided in the last meeting to forego the December meeting in lieu of attending the Dinner and Banquet. However, there will be special held work session with the EMS Committee on January 9th at 5 PM at the EMS Office, 1305 Hill St., in Springfield. We invite all Commissioners who can attend. The discussion will involve possible implementation of a non-emergency ambulance to capitalize on revenue opportunities as well as other capital need discussions for upcoming 24-25 FY early budget planning.

As always, please stay safe and reach out if our office can do anything for you all.

Best Regards,

Brent N. Dyer

Board of County Commissioners
Robertson County Courthouse
Springfield, Tennessee 37172

Dear Commissioners:

The unaudited financial report for the period ended October 31, 2023 is submitted herewith. This report was prepared by the Finance Department, and I believe the data is accurate in all material aspects, and that it is presented in a manner designed to set forth the financial position and results of operations of the various funds.

This report includes financial statements of all entities over which Robertson County exercises oversight responsibility, based upon criteria established by the Governmental Accounting Standards Board, except for the Robertson County Trustee, Clerks, Register and Sheriff.

The accounting records for the governmental fund types are maintained on a modified accrual basis. Revenues are recognized when they become both measurable and available as net current assets, except property taxes are recognized on the cash basis.

Expenditures are generally recognized when the liability is incurred, except principal and interest on long term debt is recognized when due, and encumbrances are recognized as expenditures for budgetary purposes in the period they are created. Reserve For Encumbrances represents contracts, purchase orders and other commitments to be completed in subsequent accounting periods.

All Reserves, with the exception of Reserve For Encumbrances, indicate unexpended revenues that are legally required to be expended for specific purposes in subsequent accounting periods.

The County is required by State statute to adopt annual budgets for the General Fund, Special Revenue Funds and Debt Service Fund. These budgets must be adopted on the basis where current available funds are sufficient to meet current expenditures. The sum of expenditures and encumbrances may not legally exceed authorized appropriations. All unencumbered appropriations lapse at year end.

In developing and evaluating the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets and the reliability of financial records for the preparation of financial reports. The concept of reasonable assurance recognizes that the cost of an internal control should not exceed the benefits likely to be derived and the evaluation of costs and benefits requires estimates and judgments by management. All internal accounting control evaluations and judgments occur within this framework.

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds included in this financial report are as follows:

General Fund - The General Fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources, other than major capital projects, that are legally restricted to expenditures for specific purposes. Special Revenue Funds include the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Debt Service Fund - The Debt Service Fund is used to account for the accumulation of resources for and the payment of long-term debt principal and interest.

General Capital Projects Fund - The General Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the County other than those for the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Community Development / RCEDB / Red River Preserve PILOT Fund – The Community Development / RCEDB / Red River Preserve PILOT Fund is used to account for financial resources collected through Payments In Lieu Of Taxes (PILOT) and expenditures for the Red River Preserve Project. The Robertson County Industrial Development Board also known as the Robertson County Economic Development Board (RCEDB) is required to request approval from the County legislative body if funds are required for any County project other than the Red River Preserve.

School Capital Projects Fund - The School Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the School Fund.

County Medical Self Insurance Fund – The County Medical Self Insurance Fund is used to account for financial resources regarding collections of insurance premiums from the County and employees. This fund also accounts for payment of all medical claims for County employees plus the payment of administrative and stop loss fees to Blue Cross Blue Shield of Tennessee. Blue Cross Blue Shield of Tennessee is the County's Third-Party Administrator (TPA) of the County Medical Self Insurance Plan.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. I express my appreciation to these employees. I also thank the County Commissioners and all other officials and employees for their cooperation and support in conducting the financial activities of the County in a progressive and responsible manner.

Should you have any questions, please advise.

Respectfully,

Jody Stewart

Re: Request for Rezoning

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of 5.53 acres. The subject property may be found on Tax Map 125, Parcel 26, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Swift Road, in the 12th Civil District, 4th Voting District.

The property is currently zoned, 'AG-2'. We are wishing to rezone the property to 'RP80'. We are in hopes of subdividing the property into two (2) lots assuming adequate soils are available for the installation of Subsurface Sewage Disposal Systems. We understand that if this request is approved, we must then submit appropriate plats for the approval by the Planning Commission and all other governing authorities.

Thank you for your cooperation with this matter and if we may assist you in any manner, please contact us at your earliest convenience.

Sincerely,

Brittney M. LaBorg

Request: Rezone **5.53 *acres*** of Tax Map 125, Parcel 056.00 from AG-2 to RP-80

Property Information:

- Tax Map 125, Parcel 056.00
- 7421 Swift Rd., Greenbrier
- Total lot acreage: 5.53 acres (240,887 sq. ft.)
- **Rezone Request: 5.53 acres (240,887 sq. ft.)**

Figure 1: TN Property Viewer, Tax Map 125, Parcel 056.00 in its entirety is highlighted

Project Narrative:
RP-80 Minimum Requirements
Minimum Lot Size: 80,000 sq. ft.
Front: 60'
Side: 25'
Rear: 25'
Min. Lot Width @ Front Bldg. Setback Line: 175'
Min Road Frontage: 50'
Maximum Height: 35'
Max Bldg. Coverage: 30%.

Discussion & Observations:
The applicant wishes to rezone 5.53 *acres*. The subject property is surrounded by AG-2 but has several surrounding lots that are nonconforming that would be considered RP-80 by today's zoning regulations.
Please see Exhibit 1 for zoning map exhibit.

The applicant's request to rezone RP-80 appears to be dimensionally appropriate.

II A corner lot has two (2) front yard setbacks. The property owner shall designate the front yard and the side yard for his corner lot. The rear setback shall be on the opposite side of the lot from the designated front yard setback.

III A through lot has two (2) front setbacks but no rear setback.

IV On a corner lot of record with a width of at least forty (40) feet, the side street setback may be reduced, if necessary, to yield a buildable with equal to sixty (60) percent of the lot width. However, the side street setback shall not be reduced to less than forty (40) feet from a major thoroughfare or minor thoroughfare right-of-way line.

V For any lot of record with a depth of at least seventy-five (75) feet, the street setback and the rear setback may be reduced, if necessary, to yield a buildable depth equal to forty (40) percent of the lot depth. The rear setback shall be reduced first, but not below fifteen (15) feet. However, the front yard setback shall not be reduced to less than forty (40) feet from a major thoroughfare right-of-way line.

6-5.2 AG-2 Agricultural/Residential District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet affords limited residential development that is conducive to maintaining an agricultural setting. This district shall remain agricultural in nature with limited community facilities, commercial and residential development. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.3 RP-80 Rural Preservation District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet afford residential developments a minimum of urban character. This district is a transition zone between the agricultural areas and the more urban zone residential districts. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.4 R-40 Low Density Residential District

A. District Description

This district is designed to provide suitable areas for low density residential development where appropriate infrastructure is available characterized by an open appearance. Most generally, the residential development will consist of single-family detached dwellings and accessory structures, but the district may also include community facilities, public utilities and open uses which serve specifically the residents of this district or which are benefited by an open residential environment without creating objectionable or undesirable influences upon such development. It is the express purpose of this resolution to exclude from this district all buildings or other structures and uses having commercial characteristics whether operated for profit or otherwise, except that special exceptions and home occupations shall be considered as not having such characteristics if they otherwise conform to the provisions of this resolution. The application of this district is appropriate in Sub-Urban and General Urban areas of the adopted 2040 comprehensive Growth and Development Plan.

Discussion & Observations:
The applicant wishes to rezone 2.51 *acres* of the 18 acres. The subject property is surrounded by AG-2 but has a couple of C-1 zones in the immediate vicinity with varying lot sizes.
Was tabled on 10.26.23 to have engineer look at storm drainage issues. This has been reviewed and comments are included.

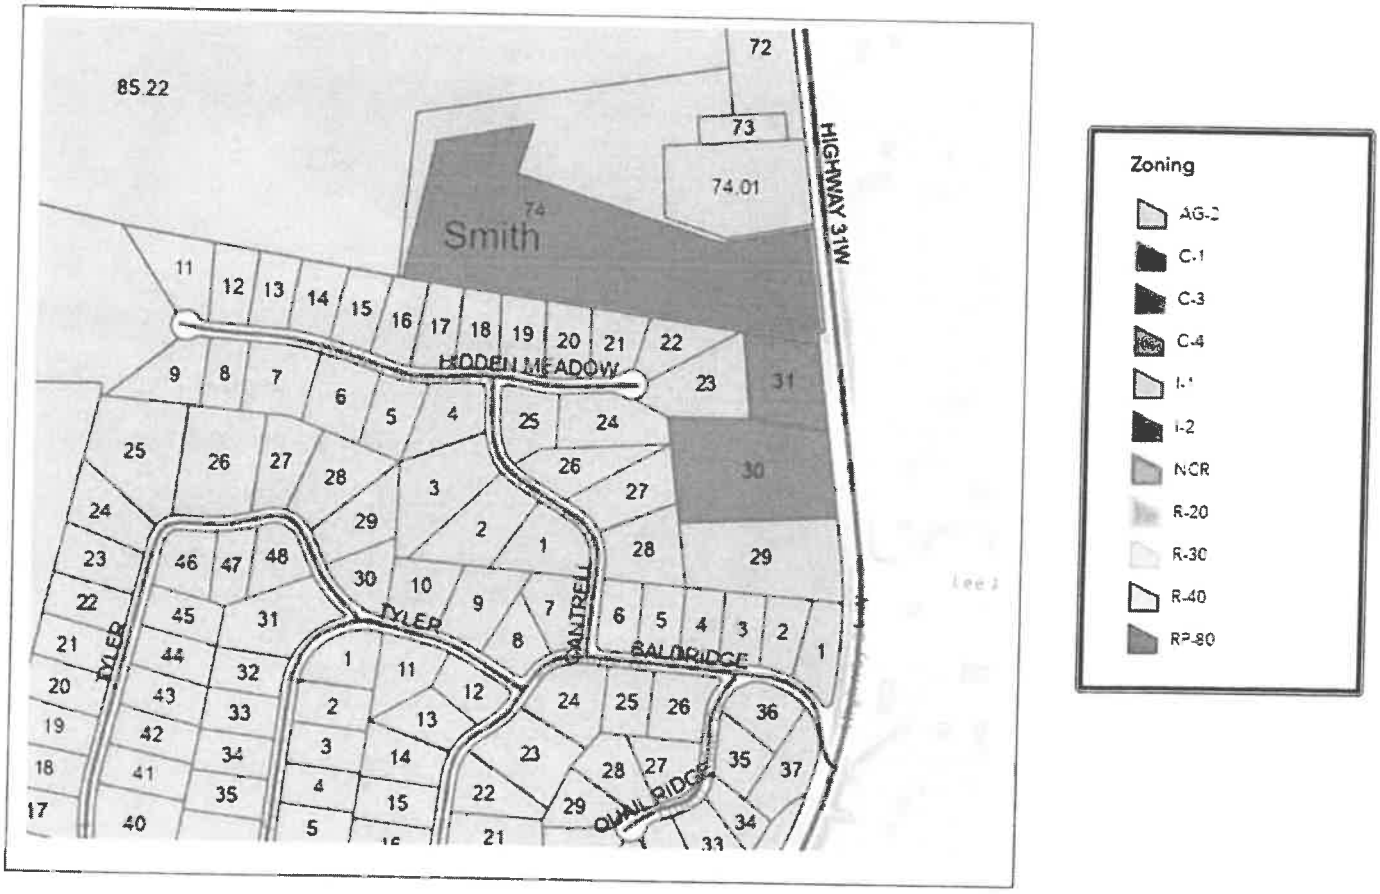

Please see Exhibit 1 for zoning map exhibit.

The applicant's request to rezone C-1 appears to be dimensionally appropriate.

RE: Highway 31W Mini Storage Storm Drainage

Dear Hunter:

As you requested, I have reviewed the proposed rezoning documents for the Highway 31W Mini Storage site that I received from you on November 1, 2023 relative to potential storm drainage issues. Based on the proposed Conceptual Layout plan prepared by Klober Engineering Services, a proposed stormwater detention pond is shown in the southeast corner of the site.

The design of the stormwater system for the site during the site plan process must include considering the current maximum 100-year flow in the existing drainage ditch along the area of the south boundary of the site. The design of the proposed detention pond and all other general grading of the site must not result in an increase in the current elevation or quantity of stormwater flow along the existing ditch. Both the horizontal location, size, and elevation of the proposed detention pond and other stormwater system components must be designed to not increase the existing flows downstream of the site or alter the location of the existing flows.

No liability for the correctness or completeness of design or surveying performed by others is assumed by me or Robertson County by my review of these documents.

Please contact me if you have any questions or comments. Thank you for the opportunity to serve you.

Sincerely,

Rick Mayo, PE, RLS

RESOLUTION NO. 121823141

HIGHWAY DEPARTMENT RESOLUTION NO. 23-278-12

RESOLUTION ADOPTING OFFICIAL 2024 ROAD MAP FOR ROBERTSON COUNTY, TENNESSEE

WHEREAS, Tennessee Code Annotated, Section 54-10-103, so requires the Highway Superintendent to keep and maintain an up-to-date list of roads to be maintained by the Robertson County Highway Department; and

WHEREAS, it becomes necessary to create an up-to-date map of such list of roads for maintenance, emergency services, and public identification. The Robertson County Highway Department and the Regional Planning Commission do hereby submit such an Official County Road Map to the Robertson County Board of Commissioners; and

WHEREAS, such map shall be labeled the Official Robertson County Road Map as of January 1, 2024, and shall carry the notarized signatures of the Robertson County Highway Superintendent; the Robertson County Planning Director; and the Robertson County Mayor; and

WHEREAS, the Robertson County Highway Commission met in regular session this 26th day of October, 2023, voted and agreed to adopt said map for Robertson County, Tennessee; and

WHEREAS, the Robertson County Planning Commission met in regular session the 16th day of November, 2023, voted and agreed to adopt said map for Robertson County, Tennessee.

NOW, THEREFORE BE IT RESOLVED by the Board of County Commissioners of Robertson County, Tennessee assembled in regular session on this 18th day of December, 2023, that said map now become the Official County Road Map for Robertson County, Tennessee and be placed on display in the Highway Office, Planning Commission Office, and the Office of the County Court Clerk.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon passage, the public welfare requiring it.

Pass this the 18th day of December, 2023.

RESOLUTION NO. 121823142

RESOLUTION TO DECLARE SURPLUS PROPERTY

WHEREAS, Robertson County, Tennessee, through its Board of Education Technology Department is the owner of certain equipment as set forth in the attached list such items being laptop computers; and

WHEREAS, the use of this equipment is no longer necessary by the Robertson County Board of Education Technology Department, and the School Board approved these items to be declared as surplus at their December 11, 2023 meeting for the purpose of allowing each senior to keep their computer; and

It is requested that the Robertson County Commission declare this property surplus as provided by Tennessee Code Annotated and authorize the disbursement of said items; and

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission, meeting in regular session this the 18th day of December, 2023, that the items above described, previously used by the Robertson County Board of Education Technology Department, are declared to be surplus property, and the County Mayor and/or the Director of Schools is hereby authorized to distribute such items as they deem appropriate and as set forth herein.

Passed this the 18th day of December, 2023, to be effective on the date of its passage, the public welfare requiring it.

Re: **Juneteenth**

Dear Mayor Vogle, County Clerk Groves and Commissioners:

I have been asked to draft a Resolution for the December meeting that addresses the possible addition of Juneteenth (June 19th) as an additional County employee holiday.

I understand there has been some discussion that if another holiday is added, an existing holiday should be eliminated. It seems to be that you have 3 options:

1. Respectfully, you decline to add Juneteenth as an additional County holiday. I enclose a Resolution marked with #1 in the upper right hand part of page 1; OR

2. Respectfully, you add Juneteenth as another County holiday, BUT you remove one of the existing 12 County holidays. I enclose a Resolution marked with #2 in the upper right hand part of page 2, and you will need to fill in by your vote which current County holiday comes off the list; OR

3. Respectfully, you add Juneteenth as another County Holiday, and keep the current 12 holidays, for a new total of 13 holidays. Likewise, I enclose that Resolution marked with #3 in the upper right hand part of page 1.

In summary, #1 is NO, #2 is YES but take away an existing holiday, and #3 is YES and keep all holidays for a new total of 13.

I hope this summary helps in your discussions.

With best personal regards,

Clyde W. Richert III

RESOLUTION NO. 121823143

A RESOLUTION TO CONSIDER ESTABLISHING JUNETEENTH AS A LEGAL PAID HOLIDAY FOR ROBERTSON COUNTY GOVERNMENT AND EMPLOYEES

WHEREAS, Governor Bill Lee of the State of Tennessee by proclamation established June 19 as Juneteenth Day" in Tennessee and encouraged all citizens to join in the same as a worthy observance; and

WHEREAS, June 19 as a date in history represents recognition of June 19, 1865, when in Galveston, Texas, enslaved men and women received work of General Order Number 3, proclaiming to the people of Texas that in accordance with the Proclamation from the Executive of the United States, that all slaves were free; and

WHEREAS, African American men and women of Texas were kept in bondage for over two years after President Lincoln's Emancipation Proclamation went into effect and had not yet been freed; and

WHEREAS, churches and faith communities began then hosting "Juneteenth" celebrations to commemorate freedom for African Americans; and

WHEREAS, Tennessee was the first state among the states who seceded from the union during the Civil War to end slavery by law prior to the ratification of the Thirteenth Amendment; and

WHEREAS, the date of June 19 gives us an opportunity to recount and remember that freedom has not always extended to every life in America; and

WHEREAS, Juneteenth celebrations across Tennessee serve to commemorate an end to enslavement and honor the heritage and memory of those kept from freedom for so long; and

WHEREAS, every day is an opportunity to strive to more fully realize the ideals of our nation and ensure that the promise of a free and just society is guaranteed for every Tennessean; and

WHEREAS, Robertson County presently observes 12 current holidays as listed in the County Employee Manual, being those attached in Exhibit "A" to this Resolution; and

WHEREAS, a request has been received by the County to establish Juneteenth for the County has been reviewed by the County Budget Committee, and said Budget Committee has favorably recommended the establishment of said Juneteenth as a new County holiday, BUT with the understanding that as part of said adoption, the full Robertson County Commission would choose to eliminate one of the current County holidays such that the new Juneteenth holiday would be budget neutral.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Board of Commissioners, meeting on the 18th day of December, 2023, that after considerable discussion, the proposed new holiday of Juneteenth, being June 19th of each year is hereby NOT added to the list of 12 current County Holidays, and that said list as attached will remain the same.

Duly passed and approved this 18th day of December, 2023.

RESOLUTION NO. 121823146

A RESOLUTION TO ALTER AND AMEND CERTAIN PRIOR AGREEMENTS BETWEEN ROBERTSON COUNTY, TENNESSE AND THE INDUSTRIAL DEVELOPMENT BOARD OF THE COUNTY OF ROBERTSON RELATIVE TO "THE CONWOOD" PROPERTY

WHEREAS, by prior agreements between Robertson County, Tennessee, referred to herein as "the County, and American Snuff Company, LLC, referred to herein as "American Snuff", dated April 2, 2015, American Snuff entered into a Donation Agreement in favor of the County such that American Snuff would convey by deed its property located at 901 Central Avenue, Springfield, Tennessee to the County pursuant to certain terms and conditions as set forth in that Donation Agreement, such properly known locally as the "Conwood Property"; and

WHEREAS, the terms of the Donation Agreement were agreed upon and American Snuff did convey the Conwood Property to the County by deed dated April 27, 2015, said deed recorded at Record Book 1618, page 371 in the Register's Office for Robertson County; and

WHEREAS, in conjunction with those agreements between the County and American Snuff for the deed of the Conwood Property, the County and the Industrial Development Board of the County of Robertson, (now referred to as the Robertson County Economic Development Board), referred to herein as the "Board", next entered into a Memorandum of Understanding dated July 17, 2015, whereby the County agreed to deed the Conwood Property to the Board upon certain terms and conditions, said deed recorded at Record Book 1630, page 238, in said Register's Office, with said deed then later re-recorded at Record Book 1646, page 238 said Register's Office, in order to attach a copy of the original American Snuff-County restrictions when the County first obtained its deed; and

WHEREAS, among the agreed terms between the County and the Board was that when the Property was deeded to the Board, it was agreed "that in the event of the sale of the Conwood Property, the County and the Board would work together to sell the property and will share "1/2 each any net proceeds of the sale"; and

WHEREAS, the Conwood Property has now been sold by the resulting in net proceeds of the sale of the property of $1,689,867.21, and this figure should be further adjusted downward to reflect Board expenses paid for upkeep and maintenance of the property, resulting in a net proceeds of $1,658,362.48 available for distribution; and

WHEREAS, the County would receive under the parties original agreement referenced above the amount of $829,181.24; and

WHEREAS, the Board has requested of the County that the Board be allowed to keep one-half of the "County's ½", such that the County would be paid by the Board currently the amount of $414,590.62, and the Board would use this "other ½ part of the County ½ share" for the continued benefit of the White House Business Park project, including land purchase costs, infrastructure costs and other related costs of that project, with any different use by the Board being subject to prior County approval; and

WHEREAS, this proposal has been reviewed and recommended by the County Budget Committee.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission, meeting in regular session this the 18th day of December, 2023, that Robertson County will accept the amount of $414,590.62 from the Board in full satisfaction of the parties prior agreements regarding the sale of the Conwood property, with the Board to use the retained "County funds" for the uses as set forth herein.

Passed this the 18th day of December, 2023, to be effective on the date of its passage, the public welfare requiring it.

RESOLUTION TO APPROVE THE ECONOMIC IMPACT PLAN FOR THE SHOPS AT MOORELAND DEVELOPMENT AREA

WHEREAS, the Industrial Development Board of the City of Springfield, Tennessee (the "Board"), is a public, nonprofit corporation organized and existing under, and by virtue of, the provisions of Chapter 53, Title 7, Tennessee Code Annotated, as amended (the "IDB Act"); and

WHEREAS, the purpose of said IDB Act, as stated therein, being to authorize the incorporation in the several municipalities in the State of Tennessee of public corporations to finance, acquire, construct, own, lease, equip and/or dispose of properties to the end that such corporations may be able to, among other things, maintain and increase employment opportunities by promoting industry, trade, commerce, tourism, and recreation by inducing manufacturing, industrial, governmental, educational, financial service, commercial, and recreational enterprises to locate or to remain in the State of Tennessee; and

WHEREAS, the Board desires to induce G.S. Moore & Son, a Tennessee general partnership (the "Company"), to undertake a "project," within the meaning of the IDB Act, consisting of development of a hotel, commercial retail and restaurant mixed-use development (the "Development") on approximately 11.1 acres of the property located on Tom Austin Highway north of the intersection of Nicklaus Drive and Tom Austin Highway and south of 22nd Avenue (the "Property"), and related Public Improvements (collectively with the Development, the "Project") (such term, and all other terms the initial letter of which are capitalized and not otherwise defined herein shall have the meaning ascribed thereto in the Economic Impact Plan) , located within the Plan Area; and

WHEREAS, the Board is authorized by the IDB Act to, among other things, prepare and submit to the Board of Commissioners of Robertson County, Tennessee (the "County") and the Board of Mayor and Aldermen of the City of Springfield, Tennessee (the "City"), for their approval, an economic impact plan pursuant to Section 312 of the IDB Act; and

WHEREAS, the Board held a public hearing relating to the proposed "Economic Impact Plan for the Town Square Commons Development Area" (the "Economic Impact Plan"), attached hereto as **Exhibit A** and incorporated herein by reference, and approved the Economic Impact Plan, pursuant to which the Board would provide financial assistance to fund a portion of Public Infrastructure Costs (as defined in the Economic Impact Plan), with the maximum amount that will be made available by the Board to the Company for this financial assistance being Four Million Four Hundred Eighty-Three Thousand Forty-Two and 34/100 Dollars ($4,483,042.34), plus interest (the "Incentive"); and

WHEREAS, the Board is authorized by law and has deemed it necessary to provide the Incentive pursuant to the terms of a certain Project Agreement (the "Project Agreement"), to be entered into by and between the Board and the Company, a copy of the current draft of which has been presented at this meeting of the County Commission, it being understood that the Board may approve such changes to the form of this agreement as it deems to be necessary or desirable; and

WHEREAS, the County has been asked to approve the Economic Impact Plan and the Incentive to the Company.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Robertson County hereby finds as follows:

1. Findings with Respect to the Project. The County hereby finds with respect to the Project that the use of the Incentive to fund the Project Infrastructure Costs is necessary and desirable; that the Plan Area (as defined in the Economic Impact Plan) is within an area that could provide substantial sources of tax revenues to the City and the County; that the use of the Incentive is in furtherance of promoting economic development in the City and the County; that the use of the Incentive will develop trade and commerce in and adjacent to Robertson County, Tennessee, will contribute to the general welfare, and will alleviate conditions of unemployment; and that the construction and equipping of the Project will be necessary and advantageous to the Board in furthering the purposes of the IDB Act.

2. Approval of the Incentive and the Economic Impact Plan. The form, content, and provisions of the Economic Impact Plan, and the grant of the Incentive as contemplated herein and in said Economic Impact Plan, are hereby in all particulars approved; and the Mayor is hereby authorized, empowered, and directed to execute, acknowledge, and deliver said Economic Impact Plan, in substantially the form now before this meeting of the Robertson County Board of Commissioners, or with such changes therein as shall be approved by the Mayor executing the same, his execution thereof to constitute conclusive evidence of their approval of any and all such changes or revisions, in the name, and on behalf, of the County.

The Mayor and all departments and agencies of the County, are hereby authorized, empowered, and directed, from and after the date hereof, to do all acts and things, and to execute all documents with the Company, the Board and/or the City as may be necessary or convenient to carry out, and to comply with the provisions of said Economic Impact Plan.

3. Miscellaneous Acts. The Mayor or the County Clerk, or either one of them, are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, memoranda and certifications, certifications hereinbefore authorized and approved, as may, in his or her discretion, be necessary or desirable to implement or comply with the intent of this Resolution, or any of the documents herein authorized and approved, or for the granting and implementation of the Incentive or the undertaking of the Project by the Company for the foregoing purposes, including without limitation, the execution, delivery and recordation of any memoranda, certificates or other documents or instruments as they may deem necessary or desirable in connection with the foregoing.

4. Limited Obligation and Liability. The obligations of the Board under the Economic Impact Plan (the "Obligations"), and any payments or borrowing with respect thereto, are limited obligations of the Board and shall not be deemed to constitute a general debt or liability of the Board or County, except insofar as the Available Increment (as defined in Section 6 of the Economic Impact Plan) has been received by the Board and the same is payable in accordance with the provisions of the Economic Impact Plan and in the Project Agreement referenced

therein. Neither the City, the County, the State of Tennessee, nor any other political subdivision thereof, shall be liable for the payment or performance of the obligations or any agreement, or certification, of any kind whatsoever of the Board and neither the obligations, nor any of the agreements, obligations, or certifications of the Board shall be construed to constitute an indebtedness of the City, the County or the State of Tennessee, or any other political subdivision thereof, within the meaning of any constitutional or statutory provisions whatsoever.

5. Captions. The captions or headings in this Resolution are for convenience only and shall in no way define, limit, or describe the scope or intent of any provision hereof.

6. Partial Invalidity. If any one or more of the provisions of this Resolution, or of any exhibit or attachment thereof, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but this Resolution, and the exhibits and attachments thereof, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF SPRINGFIELD, TENNESSEE

ECONOMIC IMPACT PLAN
FOR
THE SHOPS AT MOORELAND DEVELOPMENT AREA

1. **Authority for Economic Impact Plan**. Industrial development corporations are authorized under Section 312 of Tennessee Code Annotated § 7-53-101, *et. seq.* (the "IDB Act") to prepare and submit to cities and counties an economic impact plan with respect to an area that includes a project within the meaning of the IDB Act and such other properties that the industrial development board determines will be directly improved or benefited due to the undertaking of such project. The IDB Act also authorizes cities and counties to apply and pledge new incremental tax revenues, which arise from the area subject to the economic impact plan, to industrial development corporations to pay the cost of projects or to pay debt service on bonds or other obligations issued by industrial development corporations to pay the cost of projects. The Industrial Development Board of the City of Springfield, Tennessee (the "**Board**") desires to adopt this Economic Impact Plan pursuant to the IDB Act to provide an incentive in order to induce G.S. Moore & Son, a Tennessee general partnership (the "**Company**"), to undertake the Project (as defined hereinbelow) as provided herein.

2. **The Project**. The Company desires to undertake a hotel, commercial retail and restaurant mixed-use development (the "**Development**") on approximately 11.1 acres of the property located on Tom Austin Highway north of the intersection of Nicklaus Drive and Tom Austin Highway and south of 22nd Avenue, as depicted on **Exhibit A** (the "**Property**"), in Springfield, Tennessee (the "**City**"), together with certain Public Infrastructure in connection therewith (the "**Public Improvements**"). "**Public Infrastructure**" is defined in Section 102(15) of Tennessee Code Annotated § 9-23-101, *et. seq.* (the "**TIF Uniformity Act**"), as "roads, streets, publicly-owned or privately-owned parking lots, facilities or garages, traffic signals, sidewalks or other public improvements that are available for public use, utility improvements and storm water and drainage improvements, whether or not located on public property or a publicly-dedicated easement, that are necessary or desirable, as determined by the tax increment agency." The Board hereby agrees and determines that the Development and the Public Improvements (collectively the "**Project**") is an eligible "project" within the meaning of Section 101(15) of the IDB Act. In order to make the Project financially feasible, the Board intends, subject to the approval of the City and the County Commission of Robertson County, Tennessee (the "**County**") of this Economic Impact Plan, to engage in tax increment financing pursuant to the IDB Act to provide funds to pay a portion of the cost of constructing the Public Improvements. The "**Eligible Project Costs**" are the costs to design and construct the Public Improvements, and other fees payable for the provision thereof, capitalized interest and interest on bonds, notes or other obligations issued by the Board pursuant to Section 7, and the allocable cost of the Property for the site of the Public Improvements.

3. **Finding of Economic Benefit**. The Board, the City and the County, by the adoption of this Plan, find that the Project is within an area that could provide substantial sources of tax revenues and economic activity to the City and the County, find that the use of the Available

Increment (as defined in Section 6 below), is in furtherance of promoting economic development in the City and the County, find that the use of the Available Increment as provided herein will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare and will alleviate conditions of unemployment, and find that the construction and equipping of the Project will be necessary and advantageous to the Board in furthering the purposes of the IDB Act.

4. **Boundaries of Plan Area**. The boundary of the area that will be subject to this Economic Impact Plan, and to the tax increment financing provisions described below (the "**Plan Area**"), is the Property, the Robertson County Tax Map and Parcel Number with respect to which is 091 026.00. The Board hereby agrees and determines that the Plan Area is the property that will directly benefit from the development of the Project. The Plan Area is hereby declared to be subject to this Economic Impact Plan, and the Project is hereby identified as the project that will be located within the Plan Area.

5. **Financial Assistance to Project**. The Board may borrow funds through the issuance and sale of notes, bonds or other obligations of the Board in one or more issuances, to pay and/or reimburse the Company for the Eligible Project Costs, to the extent permitted by the IDB Act. The Company may be the bond or note holder. The Board may pledge all or a portion of the Available Increment allocated to the Board pursuant to this Plan to the payment of such notes, bonds or other obligations, including, without limitation, principal and interest thereon. In no event will the obligations issued by the Board be considered a debt or obligation of the City or the County in any manner whatsoever, and the source of the funds to satisfy the Board's payment obligations thereunder shall be limited solely to the Available Increment and shall otherwise be non-recourse to the Board. Any debt obligation of the Board may be refinanced by the Board at any time as permitted by the IDB Act, and upon such refinancing, available tax increment revenues shall be applied to the payment of such refinancing debt to the extent such tax increment revenues were to be used to pay the debt that is being refinanced. Any and all documents to be entered into by the Board with respect to the foregoing shall be in form and substance acceptable to the Board, in its sole discretion, and subject to the Company's payment of the Board's application fee. The maximum amount that will be made available by the Board to the Company for such financial assistance shall be Four Million Four Hundred Eighty-Three Thousand Forty-Two and 34/100 Dollars ($4,483,042.34) (the "**Maximum Contribution**"), plus interest. The provision of financial assistance for the Public Improvements Costs shall be conditioned on the following:

(a) The Company obtaining any and all plan approvals in connection with the Project required by the City of Springfield Planning and Zoning Board and other pertinent municipal agencies or departments.

(b) The Public Improvements work will be performed in a manner consistent with all of the normal planning and codes administration and bonding requirements, if any, for the type of work being performed by private companies and, to the extent applicable, dedicated to the public (it being acknowledged that some or all of the Public Improvements may not be so dedicated).

(c) The Public Improvements, located in public rights of way will, if requested by the City, be dedicated to the City upon completion, the utility line portion of the Public Improvements, if any, shall be constructed in accordance with the requirements of the pertinent

utility providers, and the Company will dedicate the same to the pertinent local utility providers upon final completion as applicable, if requested.

6. **Expected Benefits to the County and City**. The County and City expect to benefit in many ways from the provision of the Project. Attached hereto as **Exhibit B**, and incorporated herein by reference, is an Economic Impact Analysis (the "**Economic Impact Analysis**"), prepared by Younger & Associates, dated November 22, 2023. The Development is anticipated to contain approximately 99,850 square feet of retail space and 107 hotel rooms that are not currently located in the City or the County, which will enhance the livability of the community and the reputation of the City and the County as a place for business and commerce. The Project will provide a greater ability to compete for retail sales with other counties and cities in the area. As noted in the Economic Impact Analysis, the Development will lead to increased sales taxes in the County and the City, the local amount of both direct and indirect is expected to exceed $1,575,419 per annum, based upon the Company's estimated sales figures. The Economic Impact Analysis also projects that the hotel is expected to produce additional hotel tax revenue of $387,375 annually. Sales and use tax on the construction of the Project and building permit fees will be positively affected by the Project, and construction and equipping of the Project will create a number of construction jobs. According to the Economic Impact Analysis, the operation of the Development is expected to support approximately 493 or more direct and indirect jobs.

As noted in the Tax Summary portion of the Economic Impact Analysis on pages 16 - 17, the Development is anticipated to eventually have a tax appraisal valuation of approximately $35,000,000. Based upon current rates, the newly created real property tax attributable to the Plan Area upon completion of the Project is expected to generate about $242,010 in County real property taxes per annum (the "**County New Tax Amount**") and about $94,828 in City real property taxes per annum (the "**City New Tax Amount**").

In 2022, the real property taxes payable with respect to the Plan Area, being the year prior to the year of approval of this Economic Impact Plan (the "**Base Tax Amount**"), were $8,935 for the County (the "**County Base Tax Amount**") and $3,719 for the City (the "**City Base Tax Amount**").

The "**Available Increment**" is defined as the sum of (1) and (2) below:

(1) For the County, the Available Increment is the County New Tax Amount less (A) the Dedicated Taxes, defined in the TIF Uniformity Act as "that portion of property taxes, if any, designated by a taxing agency to pay debt service on the taxing agency's debt," from time to time, which in 2023 is expected to be approximately 12.2% of the total County property taxes, and less (B) 10% of the total County property taxes as a payment anticipated to help pay for the Robertson County school system (the "**Schools Portion**").

(2) For the City, the Available Increment is the City New Tax Amount less any Dedicated Taxes, from time to time, which in 2023 is expected to be approximately 7.1% of the total City property taxes.

Based on the foregoing assumptions and as noted on page 15 - 17 of the Economic Impact Analysis, the Available Increment will be approximately $276,325 per annum. This includes approximately $188,230 per annum from the County and $88,095 per annum from the City.

The provision of financial assistance for the Project shall be conditioned on the compliance by the Company with this Economic Impact Plan and the Project Agreement to be entered into by and between the Board and the Company to implement the incentive hereunder, as described in more detail below.

7. **Distribution of Property Taxes**. Subject to the provisions of Section 312(j) of the IDB Act, real property taxes imposed on the property located within the Plan Area shall be allocated and distributed in accordance with 312(c) of the IDB Act and the TIF Uniformity Act as follows:

(a) The Base Tax Amount shall be allocated to and, as collected, paid to the City and County as all other taxes levied by the City and County on all other properties; provided, however, that in any year in which the real property taxes on the property within the Plan Area are less than the Base Tax Amount, there shall be allocated and paid to the City and County only the real property taxes actually imposed; and

(b) Under Section 9-23-104(d) of the TIF Uniformity Act, the Board is authorized to make all calculations on the basis of each parcel within in the Plan Area or on an aggregate basis for the Plan Area. In this case, all calculations of City Increment and County Increment shall be based upon the aggregate basis method.

(c) The Board and the Company will enter into a separate Project Agreement (the "**Project Agreement**"), pursuant to which the Board will agree to pay the Available Increment to pay the debt service on any notes, bonds or other obligations of the Board issued pursuant to Section 5 of the Plan to reimburse the Company for paying Eligible Project Costs, until the first to occur of (i) the payment by the Board of the Available Increment equal to the Maximum Contribution, as provided in Section 5, or (ii) the payment by the Board of the Twentieth (20^{th}) annual installment of the Available Increment, with the first installment being the payment of the Available Increment for the calendar year in which at least fifty thousand (50,000) square feet of buildings are completed and fully assessed at the Project, but in any event, no later than calendar year 2026. It is understood that after this period, all real property taxes in the Plan Area will be allocated and paid to the City and the County, the same as all other property taxes levied by the City and the County on all other property.

(d) All property taxes imposed on personal property located within the Plan Area shall be paid to the City and the County as with all other taxes levied by the City and the County on all other personal property.

8. **Qualified Use**. The Board, the City, and the County, by the adoption of this Economic Impact Plan, find that the use of the Available Increment as described herein is in furtherance of promoting economic development in the City and the County; that the use of the Available Increment as provided herein will develop trade and commerce in and adjacent to the City and the County, will contribute to the general welfare, and will alleviate conditions of unemployment; and that the construction of the Project is necessary and advantageous to the Board in furthering the purposes of the IDB Act.

9. **Approval Process**. Pursuant to Section 312 of the IDB Act, the process for the approval of this Economic Impact Plan is as follows:

(a) The Board shall hold a public hearing relating to the proposed Economic Impact Plan after publishing notice of such hearing in a newspaper of general circulation in the City and the County at least two (2) weeks prior to the date of the public hearing. The notice must include the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public. Following such public hearing, the Board will submit this Economic Impact Plan to the City and the County for approval.

(b) The governing body of the City and the County must approve this Economic Impact Plan for this Economic Impact Plan to be effective. Pursuant to the IDB Act, this Economic Impact Plan may be approved by resolution of the governing body of the City and the County, whether or not the local charter provisions of the governing body provide otherwise.

(c) Once the Economic Impact Plan has been approved by the governing body of the City and the County, the clerk or other recording official of the City and the County shall transmit the following to the appropriate tax assessors and taxing agency affected: (a) a copy of the description of the property within the Plan Area, and (b) a copy of the Resolution approving the Economic Impact Plan, and any and all other filings required under the TIF Uniformity Act.

(d) The Board will file with the Tennessee Comptroller of the Treasury a copy of the materials in Section 8(c) above, and, by October 1 of each year, the Company will file with the Comptroller an annual statement of all tax increment revenues allocated under this Economic Impact Plan.
