Re: **EMS Report for November 2023**

Commissioners and Mayor Vogle,

This month will make it 11 months now that I have been in the position of Director for your EMS Department. Within the first year now in the position, I have enjoyed working with you all and have had the time to get to know some of you better. I remain thankful and continue to progress our EMS Department daily as best we can to best serve the people of Robertson County. I genuinely believe our elected officials in this County have the same passion to care for their families, friends, and neighbors that our employees do. Robertson County's EMS Department was like most of the others across Tennessee this time last year. Most departments literally had ambulances closed due to staffing issues and many sadly still do. I am very thankful and humbled to report that our department is fully staffed and I have multiple quality applicants that we can now choose carefully from to ensure we once again recruit and retain the best employees possible. This of course would not be so without the support and actions of our elected officials, so again... thank you.

2 weeks ago, one of our crews responded to a vehicle accident on I-65 around 2:00 AM in a bit of moderate rain. Bystanders and 911 callers thought someone might have been thrown from the vehicle which had rolled down an embankment along the construction area near the Cross Plains exit. One of our paramedics, who is also a Marine, quickly began to make his way down the steep embankment to reach the immediate area to check for patients. Thankfully there was no patient found as it turns out the driver had evaded the scene. However, in this situation our employee suffered a fall on the slickness of the mud among the weather conditions and sustained a fractured leg. We are working with workers comp and our risk management partners to ensure he gets the care needed to heal and return to work as quickly as possible. We are covering his shift with part time employees when possible and overtime as needed, only when no part time personnel are available. Again, with the support of our commission we have been able to attract more part-time personnel as well, which greatly helps to reduce dependency on overtime expenditures.

The Building and Grounds Committee had given their blessing to work with Trey Fann, Robertson County's Engineer and Director of the Development Office to gather a capital projects assessment of some of our facilities. Just last week, Trey and his team, to include a partnering architect met with me to assess the EMS stations in Coopertown and Cedar Hill. We will be showing them the other stations in coming weeks to complete their report to bring back to the Committee.

On our ambulance fleet status, ... As many are aware, the Nationwide issue on ambulance chassis availability is a larger issue that goes far beyond the County/local level. News Channel 5 has done a special report on this that airs this week, and we were one of a few services who they asked to interview. Thankfully we were able to share that our elected officials are behind us and we have been mitigating this better than many departments across the U.S.. We do expect to receive one of 3 units that are ordered in the Spring of 2024 and hopefully will have the other 2 in the Summer of 2024. In the meantime, please do know we are working diligently to carefully maintain the ambulance fleet to keep what we have operational as long as possible. This does result in a higher-than-normal maintenance expense. We added $20K to this year's current fiscal budget to go from $130K to $150K, and I do want to share that as of the end of October, 4 months into the 12-month cycle, we have already spent 50% of these maintenance funds. We will carefully monitor this and do our best to conserve as best possible.

Call volumes for last month, October 2023 were at 887 responses, whereas we made 954 responses in October of 2022. I attribute some of this downward trend in call volumes per the data to the fading surge in COVID cases. We continue to make upwards of approximately 1000 calls per month with an annual volume of approximately 12,000 calls per year. Some of our Commissioners had inquired about this recently, so I will keep sharing this data briefly along the way. As always, if anyone ever needs anything or would like a further look into any data, please do reach out.

Stay Safe and Thank You,

Brent N. Dyer

Board of County Commissioners
Robertson County Courthouse
Springfield, Tennessee 37172

Dear Commissioners:

The unaudited financial report for the period ended September 30, 2023 is submitted herewith. This report was prepared by the Finance Department, and I believe the data is accurate in all material aspects, and that it is presented in a manner designed to set forth the financial position and results of operations of the various funds.

This report includes financial statements of all entities over which Robertson County exercises oversight responsibility, based upon criteria established by the Governmental Accounting Standards Board, except for the Robertson County Trustee, Clerks, Register and Sheriff.

The accounting records for the governmental fund types are maintained on a modified accrual basis. Revenues are recognized when they become both measurable and available as net current assets, except property taxes are recognized on the cash basis.

Expenditures are generally recognized when the liability is incurred, except principal and interest on long term debt is recognized when due, and encumbrances are recognized as expenditures for budgetary purposes in the period they are created. Reserve For Encumbrances represents contracts, purchase orders and other commitments to be completed in subsequent accounting periods.

All Reserves, with the exception of Reserve For Encumbrances, indicate unexpended revenues that are legally required to be expended for specific purposes in subsequent accounting periods.

The County is required by State statute to adopt annual budgets for the General Fund, Special Revenue Funds and Debt Service Fund. These budgets must be adopted on the basis where current available funds are sufficient to meet current expenditures. The sum of expenditures and encumbrances may not legally exceed authorized appropriations. All unencumbered appropriations lapse at year end.

In developing and evaluating the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets and the reliability of financial records for the preparation of financial reports. The concept of reasonable assurance recognizes that the cost of an internal control should not exceed the benefits likely to be derived and the evaluation of costs and benefits requires estimates and judgments by management. All internal accounting control evaluations and judgments occur within this framework.

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds included in this financial report are as follows:

General Fund - The General Fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources, other than major capital projects, that are legally restricted to expenditures for specific purposes. Special Revenue Funds include the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Debt Service Fund - The Debt Service Fund is used to account for the accumulation of resources for and the payment of long-term debt principal and interest.

General Capital Projects Fund - The General Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the County other than those for the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Community Development / RCEDB / Red River Preserve PILOT Fund – The Community Development / RCEDB / Red River Preserve PILOT Fund is used to account for financial resources collected through Payments In Lieu Of Taxes (PILOT) and expenditures for the Red River Preserve Project. The Robertson County Industrial Development Board also known as the Robertson County Economic Development Board (RCEDB) is required to request approval from the County legislative body if funds are required for any County project other than the Red River Preserve.

School Capital Projects Fund - The School Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the School Fund.

County Medical Self Insurance Fund – The County Medical Self Insurance Fund is used to account for financial resources regarding collections of insurance premiums from the County and employees. This fund also accounts for payment of all medical claims for County employees plus the payment of administrative and stop loss fees to Blue Cross Blue Shield of Tennessee. Blue Cross Blue Shield of Tennessee is the County's Third-Party Administrator (TPA) of the County Medical Self Insurance Plan.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. I express my appreciation to these employees. I also thank the County Commissioners and all other officials and employees for their cooperation and support in conducting the financial activities of the County in a progressive and responsible manner.

Should you have any questions, please advise.

Respectfully,

Jody Stewart

Robertson County Commission Resolution No. 101623108

A RESOLUTION OF THE ROBERTSON COUNTY COMMISSION TO REZONE 5.21 ACRES OF PROPERTY LOCATED AT 8926 CEDAR GROVE ROAD, CROSS PLAINS, MORE PARTICULARLY IDENTIFIED AS TAX MAP 062, PARCEL 103.08, FROM AG-2 TO R-40, AND TO REPEAL ANY RESOLUTIONS OR PARTS OF RESOLUTIONS THAT CONFLICT HEREWITH.

Whereas, Jacob and Alexis Looney request to rezone 5.21 acres of Tax Map 062, Parcel 103.08, located on Cedar Grove Road, from AG-2 to R-40; and

Whereas, supporting documentation of the rezoning request is attached hereto as Exhibit A: Application Packet and Exhibit B: Staff Report from Planning Commission, with additional application information available to the public in the Robertson County Development Office; and

Whereas, the Robertson County Planning Commission evaluated and recommended the request at their September 28, 2023, regular meeting, finding the size of the subject parcel dimensionally appropriate for the R-40 zoning designation, and water availability present. On October 16, 2023, the Robertson County Commission tabled back to the Robertson County Planning Commission for re-review. The Roberton County Planning Commission reevaluated and again recommended the request at their October 26, 2023, regular meeting.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COMMISSION OF ROBERTSON COUNTY, TENNESSEE THAT:

1. The Zoning Atlas of Robertson County, Tennessee be amended by rezoning Tax Map 062, Parcel 103.08, located on 8926 Cedar Grove Road, from AG-2 to R-40; and
2. Any Resolutions or parts of Resolutions in conflict herewith shall be repealed.

THIS RESOLUTION SHALL BE IN EFFECT IMMEDIATELY AFTER ITS PASSAGE, THE PUBLIC WELFARE DEMANDING IT.

Approved and adopted the 20th **day of** November, **2023.**

Kim, Jacob and Hunter,
Attached is what I found about restrictions that was mentioned in the previous deed of record book 2030, page 616. Unless there are some other floating around out there (which I doubt)
I have also attached a copy of the FEMA map 0300 C where the property is located as "Panel not printed - no special flood hazard areas"

When I was out there I saw no evidence of "flooding".
There is an area shown on the soil map performed by Soil Search of TN on lot 2 as a "cut bank" area and labeled as "fill" but no mention of a sink hole.
Soil Search of Tn determined that there appeared to be suitable soil for a septic system on lot 2. However that has not been reviewed and approved by the state environmental office yet but will be when the plat is applied for and submitted.

Hope this helps

[1] Does not apply to lots on the circular portion of a cul-de-sac or lots with access by an ingress/egress easement.

[2] Setback measured from right-of-way line or property line. Setbacks along private streets shall be the same as along local streets.

[3] Lot widths shall be increased by twenty-five (25) percent for all roads providing direct access to and arterial or collector road as designated on the Robertson County Major Thoroughfare Plan. Developments using combined driveways or private roads as access are exempt from this provision.

[4] No more than three (3) full or partial stories entirely above grade.

Notes:

I In overlay districts greater requirements may apply. See any relevant overlay district regulations.

II A corner lot has two (2) front yard setbacks. The property owner shall designate the front yard and the side yard for his corner lot. The rear setback shall be on the opposite side of the lot from the designated front yard setback.

III A through lot has two (2) front setbacks but no rear setback.

IV On a corner lot of record with a width of at least forty (40) feet, the side street setback may be reduced, if necessary, to yield a buildable width equal to sixty (60) percent of the lot width. However, the side street setback shall not be reduced to less than forty (40) feet from a major thoroughfare or minor thoroughfare right-of-way line.

V For any lot of record with a depth of at least seventy-five (75) feet, the street setback and the rear setback may be reduced, if necessary, to yield a buildable depth equal to forty (40) percent of the lot depth. The rear setback shall be reduced first, but not below fifteen (15) feet. However, the front yard setback shall not be reduced to less than forty (40) feet from a major thoroughfare right-of-way line.

6-5.2 AG-2 Agricultural/Residential District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet affords limited residential development that is conducive to maintaining an agricultural setting. This district shall remain agricultural in nature with limited community facilities, commercial and residential development. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.3 RP-80 Rural Preservation District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet afford residential developments a minimum of urban character. This district is a transition zone between the agricultural areas and the more urban zone residential districts. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.4 R-40 Low Density Residential District

A. District Description

This district is designed to provide suitable areas for low density residential development where appropriate infrastructure is available characterized by an open appearance. Most generally, the residential development will consist of single-family detached dwellings and accessory structures, but the district may also include community facilities, public utilities and open uses which serve specifically the residents of this district or which are benefited by an open residential environment without creating objectionable or undesirable influences upon such development. It is the express purpose of this resolution to exclude from this district all buildings or other structures and uses having commercial characteristics whether operated for profit or otherwise, except that special exceptions and home occupations shall be considered as not having such characteristics if they otherwise conform to the provisions of this resolution. The application of this district is appropriate in Sub-Urban and General Urban areas of the adopted 2040 comprehensive Growth and Development Plan.

RE: **Water Availability for Gideon Rd**
Robertson County, Tax Map 116 Parcel 15.01
Greenbrier, TN

Dear Mr. Harrington,

This letter will confirm White House Utility District can provide one additional domestic water service for the property mentioned above as long as the new lot fronts Gideon Rd or has an easement dedicated for the water service line to lie within. We understand the development will involve the alteration of an existing parcel such that two residential lots will result. There is currently one existing water tap associated with this property.

WHUD's existing six-inch water main located on the west side of Gideon Rd can provide domestic water flow for this project. No fire sprinkler flows, fire hydrant flows, commercial flows, or irrigation flows have been requested.

A water facilities fee of $250 for the new lot created will need to be paid to WHUD before we will release a signed plat or before we will sell a water tap, whichever comes first. Standard water tap fees will be due at the time service is requested. WHUD's tap fee schedule is available on our web site at www.whud.org. The current tap fee for a ¾" residential tap is $2,000 with a $50 account setup fee applied to the first bill, but that is subject to change over time.

Please note that all fees, rates, and conditions noted in this letter are current as of the date of this letter and are subject to change over time. WHUD will hold the conditions stated above for a 90-day period past the date of this letter. You may request an extension of fee status in writing prior to expiration of the 90-day period. WHUD will review the request and either deny or grant the request in writing.

Please contact our Engineering Department at 615-672-4110 ext. 262 if you have any questions.

Sincerely,

Pat Harrell, PE
District Engineer

Re: Request for Rezoning

Dear Planning Commission Members,

The purpose for this letter is to request the rezoning of a 5.00 acre tract of land. The subject property may be found on Tax Map 15, Parcel 71, in the Tax Assessor's Office for Robertson County, Tennessee. The property has road frontage on Rockey Road, in the 17th Civil District, 7th Voting District.

The property is currently zoned, 'AG-2'. We are requesting to rezone the property to 'RP80'. We are wishing to subdivide the property into two lots which will create one lot with the existing house and a new lot for our son to build a new home. We understand that if this request is approved, we must then submit appropriate plats to the Planning Commission and all other governing authorities.

Thank you for your cooperation with this matter and if we may assist you in any manner, please contact us at your earliest convenience.

Sincerely,

David G. Morris

[1] Does not apply to lots on the circular portion of a cul-de-sac or lots with access by an ingress/egress easement

[2] Setback measured from right-of-way line or property line. Setbacks along private streets shall be the same as along local streets

[3] Lot widths shall be increased by twenty-five (25) percent for all roads providing direct access to and arterial or collector road as designated on the Robertson County Major Thoroughfare Plan. Developments using combined driveways or private roads as access are exempt from this provision

[4] No more than three (3) full or partial stories entirely above grade

Notes:

I In overlay districts greater requirements may apply. See any relevant overlay district regulations

II A corner lot has two (2) front yard setbacks. The property owner shall designate the front yard and the side yard for the corner lot. The rear setback shall be on the opposite side of the lot from the designated front yard setback.

III A through lot has two (2) front setbacks but no rear setback

IV On a corner lot of record with a width of at least forty (40) feet, the side street setback may be reduced, if necessary, to yield a buildable width equal to sixty (60) percent of the lot width. However, the side street setback shall not be reduced to less than forty (40) feet from a major thoroughfare or minor thoroughfare right-of-way line.

V For any lot of record with a depth of at least seventy-five (75) feet, the street setback and the rear setback may be reduced, if necessary, to yield a buildable depth equal to forty (40) percent of the lot depth. The rear setback shall be reduced first, but not below fifteen (15) feet. However, the front yard setback shall not be reduced to less than forty (40) feet from a major thoroughfare right-of-way line.

6-5.2 AG-2 Agricultural/Residential District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet affords limited residential development that is conducive to maintaining an agricultural setting. This district shall remain agricultural in nature with limited community facilities, commercial and residential development. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.3 RP-80 Rural Preservation District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet afford residential developments a minimum of urban character. This district is a transition zone between the agricultural areas and the more urban zone residential districts. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.4 R-40 Low Density Residential District

A. District Description

This district is designed to provide suitable areas for low density residential development where appropriate infrastructure is available characterized by an open appearance. Most generally, the residential development will consist of single-family detached dwellings and accessory structures, but the district may also include community facilities, public utilities and open uses which serve specifically the residents of this district or which are benefited by an open residential environment without creating objectionable or undesirable influences upon such development. It is the express purpose of this resolution to exclude from this district all buildings or other structures and uses having commercial characteristics whether operated for profit or otherwise, except that special exceptions and home occupations shall be considered as not having such characteristics if they otherwise conform to the provisions of this resolution. The application of this district is appropriate in Sub-Urban and General Urban areas of the adopted 2040 comprehensive Growth and Development Plan.

RESOLUTION NO. 112023129

A RESOLUTION TO AMEND THE RULES AND REGULATIONS OF THE ROBERTSON COUNTY COMMISSION

WHEREAS, the Robertson County Commission ("the County Commission") is a duly elected body authorized by statutes of the State of Tennessee as the governing body of said County; and

WHEREAS, said County Commission has previously adopted certain Rules and Regulations governing the conduct of such County Commission meetings ("the Rules"); and

WHEREAS, the State of Tennessee General Assembly has passed Public Chapter No. 300, House Bill No. 448, being a new State law effective July 1, 2023, which requires that the governing body of each County allow public comment regarding matters that are on the regular agenda of a County Commission meeting; and

WHEREAS, the Legislative Committee of the Robertson County Commission has met and approved certain Amendments to the Robertson County Commission Rules in compliance with said new State Law, and it is the intent of this Resolution to approve those Amendments as set forth herein; and

WHEREAS, it is also the recommendation of the Legislative Committee that certain other changes be made as set forth herein regarding said Rules.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission meeting in regular session this the 20th day of November, 2023 that:

1. The Robertson County Commission hereby adopts the following as new Rule 28 of the County Commission Rules and Regulations:

RULE 28

a. Subject to the restrictions and procedures set forth herein, any member of the public will have the opportunity to speak at a County Commission meeting to address any item on the County Commission agenda for that meeting, with said public comment to be limited to items on the established agenda for that meeting, and such public comment to be made during the designated time for such comment as set forth in the County Rules.

b. To properly exercise such comment right, any person that desires to speak must sign a registration pad made available by the Commission before the beginning of each meeting, indicating the item on the agenda for which they desire to comment. A notice requiring such advance "sign up registration" shall be prominently displayed at the entrance to the County Commission meeting room before the meeting.

c. Each speaker will be allowed 3 minutes to address the County Commission regarding such agenda item.

d. When it appears to the County Mayor and/or the Chairman of the meeting that there are several persons with similar comment, the County Mayor and/or Chairman may ask such persons to designate representative parties to speak on their behalf, but such request shall not deny the right of any person present to speak in compliance with these Rules.

e. The total public comment time allowed is 30 minutes for all agenda items. However, upon Motion and approval by the County Commission at such meeting, said time may be extended as determined by the County Commission.

2. Current Rule 10 of the Robertson County Commission, which otherwise states that "a member of the audience may address the Commission only with the approval of the majority of the Commissioners present", is hereby amended to allow for public comment as set forth in Rule 28 regarding agenda items of the County Commission. However, other than the designated period for public comment, current Rule 10 shall remain in effect.

3. Current Rule 6, being the "regular" order of business of the County Commission, is hereby amended, such that new Rule 6 shall read as follows:

RULE 6

1. Meeting called to order
2. Roll Call
3. Invocation
4. Pledge to flag
5. Reading of the minutes of previous meetings, but may be omitted unless there is an objection
6. Communications and messages from County Mayor
7. Public Comments
8. Report of County Officials, standing and special Committees
9. Elections and appointments
10. Public hearings and reports on zoning matters
11. Resolutions

RESOLUTION NO. 112023130

BROADBAND READY COMMUNNITIES ORDINANCE

Whereas, Robertson County, Tennessee finds that broadband internet availability in the County is of critical importance to all people living, visiting, and doing business in Robertson County, Tennessee, and

Whereas, the Tennessee State Legislature recently created the ability for Tennessee communities to be designated as "Broadband Ready Communities" through the Tennessee Department of Economic and Community Development, and

Whereas, Robertson County, Tennessee seeks to promote private investment in broadband infrastructure, and

Whereas, Robertson County, Tennessee seeks to be designated as a Broadband Ready Community pursuant to Tennessee Public Chapter 228, 4-3-709; and

Whereas, Public Chapter 228, S 4-3-709 reads as follows:
(a)(1) A political subdivision may apply to the department of economic and community development for designation as a "broadband ready community" pursuant to guidelines established by the department. The guidelines for designation must include a requirement that the political subdivision has adopted an efficient and streamlined ordinance or policy for reviewing applications and issuing permits related to projects relative to broadband services.

NOW, THEREFORE, BE IT RESOLVED by the Robertson County Commission meeting in regular session this the 20th day of November, 2023 that the following is adopted.

AN ORDINANCE FOR A BROADBAND READY COMMUNITY

Section 1. As used in this chapter, "permit" means any local permit, license, certificate, approval, registration, or similar form of approval required by policy, administrative rule, regulation, or ordinance with respect to a project.

Section 2. As used in this chapter, "project" means the construction or deployment of wireline or wireless communications facilities to provide communications services in a unit.

Section 3: Notwithstanding any other provision of Robertson County's ordinance, the following shall apply to a project:

(1) Robertson County, Tennessee has:

(A) Adopted an efficient and streamlined policy for reviewing applications and issuing permits related to projects relative to broadband services.

(B) Appointed a single point of contact in the Robertson County for all matters related to a broadband project;

(C) Established procedures to allow all forms, applications, and documentation related to a project be reviewed and either approved or denied within thirty (30) business days after the application is submitted; and to allow the project to be filed or submitted and signed by electronic means, where possible;

(2) Robertson County will not:

(A) Require an applicant to designate a final contractor to complete a project;

(B) Impose an unreasonable fee for reviewing an application or issuing a permit for a project. The fee will not exceed one hundred dollars ($100);

(C) Impose a seasonal moratorium on the issuance of permits for projects; and

(D) Discriminate among communications services providers or utilities with respect to any action related to a broadband project, including granting access to public rights-of-way, infrastructure and poles, and any other physical assets owned or controlled by the political subdivision

(3) Robertson County acknowledges that:

(A) Tennessee Certified Broadband Ready Community has an affirmative duty to notify the Tennessee Economic and Community Development Department (TNECD) of any changes to the information submitted as part of its application.

(B) Failure to notify TNECD of changes may result in revocation of Robertson County's Broadband Ready Certification.

Section 4. This ordinance shall take effect immediately upon adoption by the governing body upon final reading, the public welfare requiring.

PASSED AND SO ORDERED, this 20th day of November, 2023.
