PROCLAMATION

WHEREAS, Elizabeth Clark, 15, from Barren Plains, Tennessee is the reigning Tennessee State Buck Dance Champion after winning the Robert Spicer Memorial State Buck Dance Competition in June 2024; and

WHEREAS, Elizabeth has been dancing since she was old enough to walk, learning the traditions of this Appalachian art form both her father and her grandmother; and

WHEREAS, she has won numerous awards and competitions and is currently a member of the square dance team Tennessee Rhythm, a youth square dance team based in Robertson County under the direction of Cheryl Chunn of Greenbrier; and

WHEREAS, Tennessee Rhythm has competed across the region at bluegrass competitions, going undefeated in 2024 and becoming the Smithville Fiddlers' Jamboree Youth Square Dance Champions, leading the team to perform with the Opry Square Dancers at the Grand Ole Opry on March 8, 2025; and

WHEREAS, the team can be seen performing locally in Robertson County events, from the Robertson County Fair and Parade, to the Threshermen's show in Adams to the Kilgore Station Bluegrass Festival in Cross Plains; and

WHEREAS, Elizabeth and Tennessee Rhythm are committed to preserving this time-honored tradition of square dancing here in Middle Tennessee.

NOW, THEREFORE, I, William A. Vogle, as Robertson County Mayor, do hereby proclaim Tuesday, May 20, 2025, as

ELIZABETH CLARK AND TENNESSEE RHYTHM DAY

in Robertson County in recognition of both Elizabeth's and Tennessee Rhythm's championship titles.

William A. Vogle
Robertson County Mayor

PROCLAMATION

WHEREAS, Emergency Medical Services is a vital public service, and the members of EMS teams are ready to provide care to those in need 24 hours a day, seven days a week; and

WHEREAS, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

WHEREAS, it is emergency dispatchers who often provide the first care to people in need and thanks to the 911 SAVES Act legislation currently making its way through Congress and passed here in Robertson County, dispatchers will be reclassified as first responders, granting these professionals the recognition they deserve for their vital contributions to public safety; and

WHEREAS, the members of EMS teams include emergency medical dispatchers, emergency medical technicians, paramedics, firefighters, police officers, nurses and physicians, and whether career or volunteer, they all engage in thousands of hours of specialized training and continuing education to enhance theirlifesaving skills; and

WHEREAS, it is appropriate to recognize the value and the accomplishments of all Emergency Medical Services providers by designating the Emergency Medical Services Week.

NOW, THEREFORE, I, William A. Vogle, as Robertson County Mayor, do hereby proclaim the week of May 18 – 24, 2025 as

EMERGENCY MEDICAL SERVICES WEEK

in Robertson County and ask everyone to join me in this worthy observance.

Duly passed and approved this 21st day of April, 2025.

County Commissioner

County Mayor

ATTEST:

County Clerk

On a motion by Mr. Cook, seconded by Mr. Hand and approved by roll call vote, this budget amendment resolution was approved.

Roll Call Vote:	Mr. Cook – Yes Mr. Hand – Yes Mr. Martin – Yes		Mr. Armstrong - Yes Mr. Head – Yes Mr. Peach - Yes
Vote Total:	6 – Yes	0 – Absent	Motion Carried

(A copy of this budget amendment resolution is on file at the highway office.)

15. Supervisor/Commission Remarks:

    1. A copy of the 2025-2026 Budget Adoption Schedule was included in their packets. On a motion by Mr. Head, seconded by Mr. Peach and approved by voice vote, this budget schedule was received and ordered filed. (A copy of this schedule is on file at the highway office.)

    2. Commissioner Peach discussed with Supt. Adkins several times the current condition of Burr Road due to the recent flooding we have had. He is very concerned due to around twenty families living past Burr Road Bridge. Supt. Adkins passed around pictures of Burr Road at the bridge showing a rock bar has formed upstream from the bridge 200' to 300' off our right-of way. The recent floods have made the creek change its channel and eroding away at the bank. It is around 60' from Burr Road. The commission passed around the pictures and discussed. They suggested Supt. Adkins call The Corp of Engineers and see what they could do, due to this being off the county's right-of-way. (Copies of these pictures are on file at the highway office.)

16. There being no further business, the meeting was adjourned on a motion by Mr. Head, seconded by Mr. Peach and approved by voice vote.

Re: May 2025 EMS Report

Mayor and Commissioners,

Please accept this report from the EMS Department for the month of May 2025. This time of year, is the busiest for traumatic injury calls. More than once, just this week so far, we have experienced times where all 8 of our 911 ambulances are committed to calls already when more calls are coming in. We continue to find there is a great need to add another ambulance into our daily operation if possible. In the coming EMS Committee meeting this coming Monday, May 19th at 5 PM, we will present some final figures as far as cost for this endeavor. Whatever is decided there by the committee will be presented to our budget committee on May 20th at 4:30PM. I encourage any of you who want to know more about this to please join us at the EMS Committee meeting on the 19th, there at our main station on Hill St. in Springfield.

We are interviewing applicants for what has become an overall 4 positions open at one time. We have seen some notable turn around in staffing over the past year. As we approach a new budget season, I hope we can fund the step increases for tenured employees that we put in place. We weren't able to do that this current year. I believe I have discovered a way to fund that through reallocation of funds from a 3rd party billing line that should no longer be needed as we move into a new contract with a better EMS billing company soon. This is something we will present to our committee this coming Monday evening. Despite a bit of turn around in staffing, we remain operationally strong and we have some good news to share before the Commission in the May 19th meeting. We have 4 new paramedics who just completed around a 2 year collegiate training program and just became licensed by the State. We will recognize them next Monday night. You will also see an incredible story in the news soon where our team played a role in saving a very young lady's life recently. I am proud of the EMS employees and the great work they do for our County, and I am honored to lead our team at EMS. As always, we appreciate your support in what we do. Please reach out if I can answer any questions.

Board of County Commissioners
Robertson County Courthouse
Springfield, Tennessee 37172

Dear Commissioners:

The unaudited financial report for the period ending March 31, 2025 is submitted herewith. This report was prepared by the Finance Department, and I believe the data is accurate in all material aspects, and that it is presented in a manner designed to set forth the financial position and results of operations of the various funds.

This report includes financial statements of all entities over which Robertson County exercises oversight responsibility, based upon criteria established by the Governmental Accounting Standards Board, except for the Robertson County Trustee, Clerks, Register and Sheriff.

The accounting records for the governmental fund types are maintained on a modified accrual basis. Revenues are recognized when they become both measurable and available as net current assets, except property taxes are recognized on a cash basis.

Expenditures are generally recognized when the liability is incurred, except principal and interest on long term debt is recognized when due, and encumbrances are recognized as expenditures for budgetary purposes in the period they are created. Reserve For Encumbrances represents contracts, purchase orders and other commitments to be completed in subsequent accounting periods.

All Reserves, with the exception of Reserve For Encumbrances, indicate unexpended revenues that are legally required to be expended for specific purposes in subsequent accounting periods.

The County is required by State statute to adopt annual budgets for the General Fund, Special Revenue Funds and Debt Service Fund. These budgets must be adopted on the basis where current available funds are sufficient to meet current expenditures. The sum of expenditures and encumbrances may not legally exceed authorized appropriations. All unencumbered appropriations lapse at year end.

In developing and evaluating the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets and the reliability of financial records for the preparation of financial reports. The concept of reasonable assurance recognizes that the cost of an internal control should not exceed the benefits likely to be derived and the evaluation of costs and benefits requires estimates and judgments by management. All internal accounting control evaluations and judgments occur within this framework.

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds included in this financial report are as follows:

General Fund - The General Fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources, other than major capital projects, that are legally restricted to expenditures for specific purposes. Special Revenue Funds include the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Debt Service Fund - The Debt Service Fund is used to account for the accumulation of resources for and the payment of long-term debt principal and interest.

General Capital Projects Fund - The General Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the County other than those for the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Community Development / RCEDB / Red River Preserve PILOT Fund – The Community Development / RCEDB / Red River Preserve PILOT Fund is used to account for financial resources collected through Payments In Lieu Of Taxes (PILOT) and expenditures for the Red River Preserve Project. The Robertson County Industrial Development Board, also known as the Robertson County Economic Development Board (RCEDB) is required to request approval from the County legislative body if funds are required for any County project other than the Red River Preserve.

School Capital Projects Fund - The School Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the School Fund.

County Medical Self Insurance Fund – The County Medical Self Insurance Fund is used to account for financial resources regarding collections of insurance premiums from the County and employees. This fund also accounts for payment of all medical claims for County employees plus the payment of administrative and stop loss fees to Blue Cross Blue Shield of Tennessee. Blue Cross Blue Shield of Tennessee is the County's Third-Party Administrator (TPA) of the County Medical Self Insurance Plan.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. I express my appreciation to these employees. I also thank the County Commissioners and all other officials and employees for their cooperation and support in conducting the financial activities of the County in a progressive and responsible manner.

Should you have any questions, please advise.

Respectfully,

Jody Stewart

RE: Water Availability for 8345 Horseshoe Rd
Robertson County, Tax Map 085 Parcel 082.00
Cross Plains, TN

Dear Mr. Fry,

This letter will confirm White House Utility District can provide one additional domestic water service for the property mentioned above as long as the new lot fronts Horseshoe Rd or has an easement dedicated for the water service line to lie within. We understand you intend to alter the existing parcel such that one new residential lot will result.

WHUD's existing four-inch water main located on the north side of Horseshoe Rd can provide domestic water flow for this project. No fire sprinkler flows, fire hydrant flows, commercial flows, or irrigation flows have been requested.

A water facilities fee of $467 per new lot will need to be paid to WHUD before we will release a signed plat or before we will sell a water tap, whichever comes first. Standard water tap fees will be due at the time service is requested. WHUD's tap fee schedule is available on our web site at www.whud.org. The current tap fee for a ¾" residential tap is $2,000 with a $50 account setup fee applied to the first bill, but that is subject to change over time.

Please note that all fees, rates, and conditions noted in this letter are current as of the date of this letter and are subject to change over time. WHUD will hold the conditions stated above for a 90-day period past the date of this letter. You may request an extension of fee status in writing prior to expiration of the 90-day period. WHUD will review the request and either deny or grant the request in writing.

Please contact our Engineering Department at 615-672-4110 ext. 262 if you have any questions.

Sincerely,

Pat Harrell, PE
District Engineer

Discussion & Observations:
The applicant wishes to rezone 2.80 surveyed acres. The subject property is mainly surrounded by AG-2 zones with one RP-80 in the immediate vicinity with varying lot sizes. *Please see Exhibit 1 for zoning map exhibit.*

Zoning: Several of the surrounding AG-2 zoned lots are nonconforming that would be considered R-40 by today's zoning regulations. The applicant's request to rezone R-40 appears to be dimensionally appropriate.

Robertson County Comprehensive Plan: The 2040 Comprehensive Plan calls for this area to remain Sub-Urban & General Urban.

Location of Sub-Urban Areas. The Sub-Urban areas consist of low density residential, and support uses in progressive degrees of urban intensity with higher density/intensity in areas generally adjacent to the General Urban areas and lower density/intensity in areas adjacent to the Rural category.
• Location of Sub-Urban Areas. The Sub-Urban area serves as a transition between the rural areas and the more intense urban areas.
• Sub-Urban Uses. Predominantly low density/estate residential with low key support uses combined with some agriculture and equestrian activities.

Location of General Urban. The following criteria shall be used for creating new areas or expansion of General Urban. **A)** The General Urban area is expected to capture intensive non-residential uses and shall, therefore, be served by major roadways. **B)** The character of the General Urban area is predominantly non-residential providing industrial job centers interspersed with higher intensity

commercial uses and workforce housing as a whole. **C)** The General Urban areas shall be located where infrastructure includes potable water and sewer systems, stormwater management systems, and major paved public streets or highways. **D)** Designation of new General Urban areas should only be allowed if adjacent to other general urban areas, unless justification for a new area, at an appropriate scale, can be demonstrated.

Recommendation: Positive. The Land Use Plan calls for R-40 to be applied in areas that are identified as Sub-Urban and Urban in the Land Use Plan. Further, the applicant's request to rezone to R-40 appears to be dimensionally appropriate.

[1] Does not apply to lots on the circular portion of a cul-de-sac or lots with access by an ingress/egress easement.

[2] Setback measured from right-of-way line or property line. Setbacks along private streets shall be the same as along local streets.

[3] Lot widths shall be increased by twenty-five (25) percent for all roads providing direct access to and arterial or collector road as designated on the Robertson County Major Thoroughfare Plan. Developments using combined driveways or private roads as access are exempt from this provision

[4] No more than three (3) full or partial stories entirely above grade.

Notes:

I In overlay districts: greater requirements may apply. See any relevant overly district regulations.

II A corner lot has two (2) front yard setbacks. The property owner shall designate the front yard and the side yard for his corner lot. The rear setback shall be on the opposite side of the lot from the designated front yard setback.

III A through lot has two (2) front setbacks but no rear setback.

IV On a corner lot of record with a width of at least forty (40) feet, the side street setback may be reduced, if necessary, to yield a buildable with equal to sixty (60) percent of the lot width. However, the side street setback shall not be reduced to less than forty (40) feet from a major thoroughfare or minor thoroughfare right-of-way line.

V For any lot of record with a depth of at least seventy-five (75) feet, the street setback and the rear setback may be reduced, if necessary, to yield a buildable depth equal to forty (40) percent of the lot depth. The rear setback shall be reduced first, but not below fifteen (15) feet. However, the front yard setback shall not be reduced to less than forty (40) feet from a major thoroughfare right-of-way line.

6-5.2 AG-2 Agricultural/Residential District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet affords limited residential development that is conducive to maintaining an agricultural setting. This district shall remain agricultural in nature with limited community facilities, commercial and residential development. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.3 RP-80 Rural Preservation District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet afford residential developments a minimum of urban character. This district is a transition zone between the agricultural areas and the more urban zone residential districts. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.4 R-40 Low Density Residential District

A. District Description

This district is designed to provide suitable areas for low density residential development where appropriate infrastructure is available characterized by an open appearance. Most generally, the residential development will consist of single-family detached dwellings and accessory structures, but the district may also include community facilities, public utilities and open uses which serve specifically the residents of this district or which are benefited by an open residential environment without creating objectionable or undesirable influences upon such development. It is the express purpose of this resolution to exclude from this district all buildings or other structures and uses having commercial characteristics whether operated for profit or otherwise, except that special exceptions and home occupations shall be considered as not having such characteristics if they otherwise conform to the provisions of this resolution. The application of this district is appropriate in Sub-Urban and General Urban areas of the adopted 2040 comprehensive Growth and Development Plan.

Surveyor's Description
January 30, 2025

The following paragraphs describe a tract of land in the 15th Civil District of Robertson County, Tennessee, said tract being a portion of that property, which was conveyed to Hershel Wooden, et ux, by Billy M. Cole, et ux, in a deed of record which is recorded in Deed Book 293, Page 250, Register's Office for Robertson County, Tennessee, RORCT.

2.09 acres to be rezoned

Beginning at an iron pin (old), in the northerly margin of Roy Cole Road, the southeast corner of a tract of land which belongs to Michael Padgett, having a deed reference in Record Book 1335, Page 228, RORCT, the southwest corner of this tract and continuing, as follows:
N 08°37'58" E, 484.20 feet to an iron pin (new), in the easterly boundary of said tract of land which belongs to Michael Padgett;
thence with a new line, as follows:
S 86°29'44" E, 230.92 feet to an iron pin (new);
thence, S 05°48'07" W, 290.32 feet to an iron pin (new), in the northerly margin of Roy Cole Road;
thence with the northerly margin of said road, as follows:
S 63°39'17" W, 60.67 feet to an iron pin (new);
thence with a curve to the left, having a radius of 525.00 feet, an arc distance of 85.10 feet, and a chord bearing and distance of S 59°00'40" W, 85.01 feet to an iron pin (new);
thence, S 54°22'02" W, 180.35 feet, to the point of beginning, containing **2.09 acres,** as surveyed by Steven E. Artz, Tennessee License No. 1708, d/b/a, Steven E. Artz and Associates, Inc., 4800 Highway 431 North, Springfield, Tennessee, 37172, dated January 30, 2025.

The above described tract of land is subject to a 30' Ingress, and Egress easement and a 50' Ingress and egress easement of record in Plat Book 15, Page 85, RORCT, with further reference in Deed Book 333, Page 563, RORCT.

The above described tract of land may be found on Tax Map 60, part of Parcel 76, in the Tax Assessor's Office for Robertson County, Tennessee.

RE: Water Availability for 4540 Roy Cole Rd
Robertson County, Tax Map 60 Parcel 076.00
Springfield, TN

Dear Ms. Spain,

This letter will confirm White House Utility District can provide one additional domestic water service for the property mentioned above as long as each lot fronts Roy Cole Rd or has an easement dedicated for the water service line to lie within. We understand you intend to alter the existing parcels such that one new residential lot will result.

WHUD's existing four-inch water main located on the southeast side of Roy Cole Rd can provide domestic water flow for this project. No fire sprinkler flows, fire hydrant flows, commercial flows, or irrigation flows have been requested.

A water facilities fee of $467 per new lot will need to be paid to WHUD before we will release a signed plat or before we will sell a water tap, whichever comes first. Standard water tap fees will be due at the time service is requested. WHUD's tap fee schedule is available on our web site at www.whud.org. The current tap fee for a ¾" residential tap is $2,000 with a $50 account setup fee applied to the first bill, but that is subject to change over time.

Please note that all fees, rates, and conditions noted in this letter are current as of the date of this letter and are subject to change over time. WHUD will hold the conditions stated above for a 90-day period past the date of this letter. You may request an extension of fee status in writing prior to expiration of the 90-day period. WHUD will review the request and either deny or grant the request in writing.

Please contact our Engineering Department at 615-672-4110 ext. 262 if you have any questions.

Sincerely,

Pat Harrell, PE
District Engineer

Zoning: The applicant wishes to rezone 2.09 surveyed acres of the 11.00 surveyed acres. The subject property is mainly surrounded by AG-2 zones in the immediate vicinity with varying lot sizes with a few R-40 zones. Several of the surrounding AG-2 zoned lots are nonconforming that would be considered RP-80, R-40 and a couple that would be R-20 by today's zoning regulations. The applicant's request to rezone RP-80 appears to be dimensionally appropriate. *Please see Exhibit 1 for zoning map and Comprehensive Plan exhibit.*

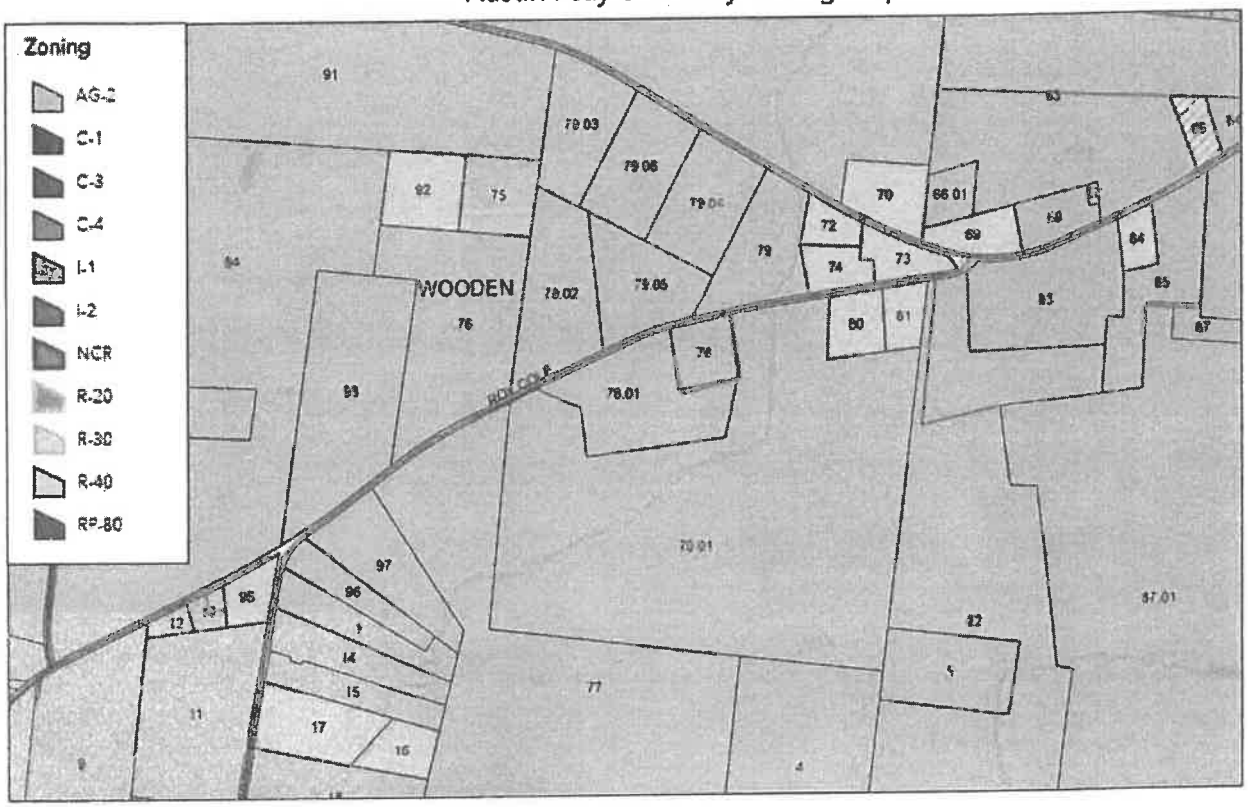

Robertson County 2040 Comprehensive Plan: The Comprehensive Plan calls for this area to remain rural. Location of Rural Preservation Areas. The majority of the County shall remain designated as Rural during the planning horizon of this land use plan. *Uses in Rural Areas*: Agrarian and rural type uses ranging from open space to agriculture, homesteads associated with agricultural uses and agriculture service businesses are encouraged within this category.

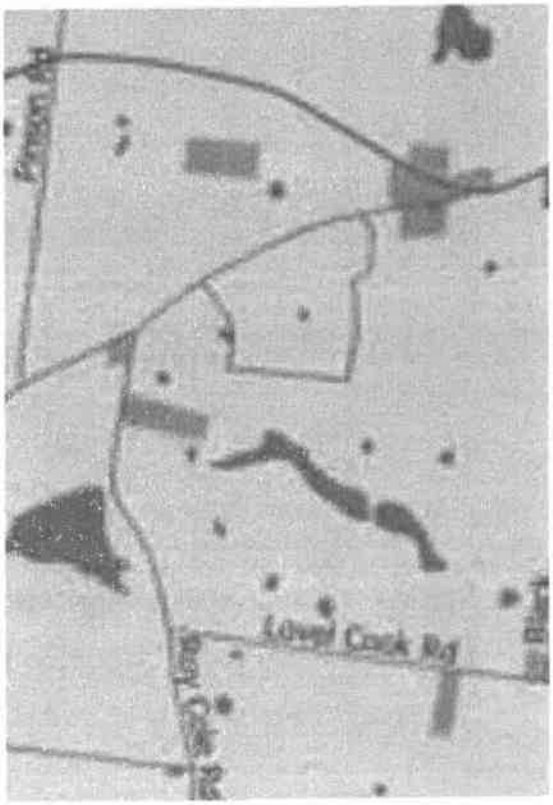

Recommendation: Approval. The application of the RP-80 zoning district is appropriate for Rural Designation.

RE: Water Availability for Pinson School Road Residential Project
****REVISED to eliminate fire hydrant flows**
Robertson County Tax Map 93 Parcels 199.00 and 199.01
Springfield, TN

Dear Ms. Boyle,

Based on the information originally submitted to WHUD on 3/20/2025 and in a subsequent email on April 16, 2025 you are requesting only domestic water service for thirty-one single-family homes to be constructed on the parcels noted above. Water needs for the project are listed in the attached schedule

In order for WHUD to provide water service to the project, the developer will be required to do the following:

1. Pay fees noted in the attached schedule
2. Install an eight-inch water main through the project connecting to existing water mains on Possum Trot Road and Pinson School Road

See the attached map for approximate locations of existing water mains.

New utility easements will be required for this project. WHUD will manage and facilitate the acquisition process for all required easements. The developer shall be responsible for all costs associated with the acquisition of easements required for this project.

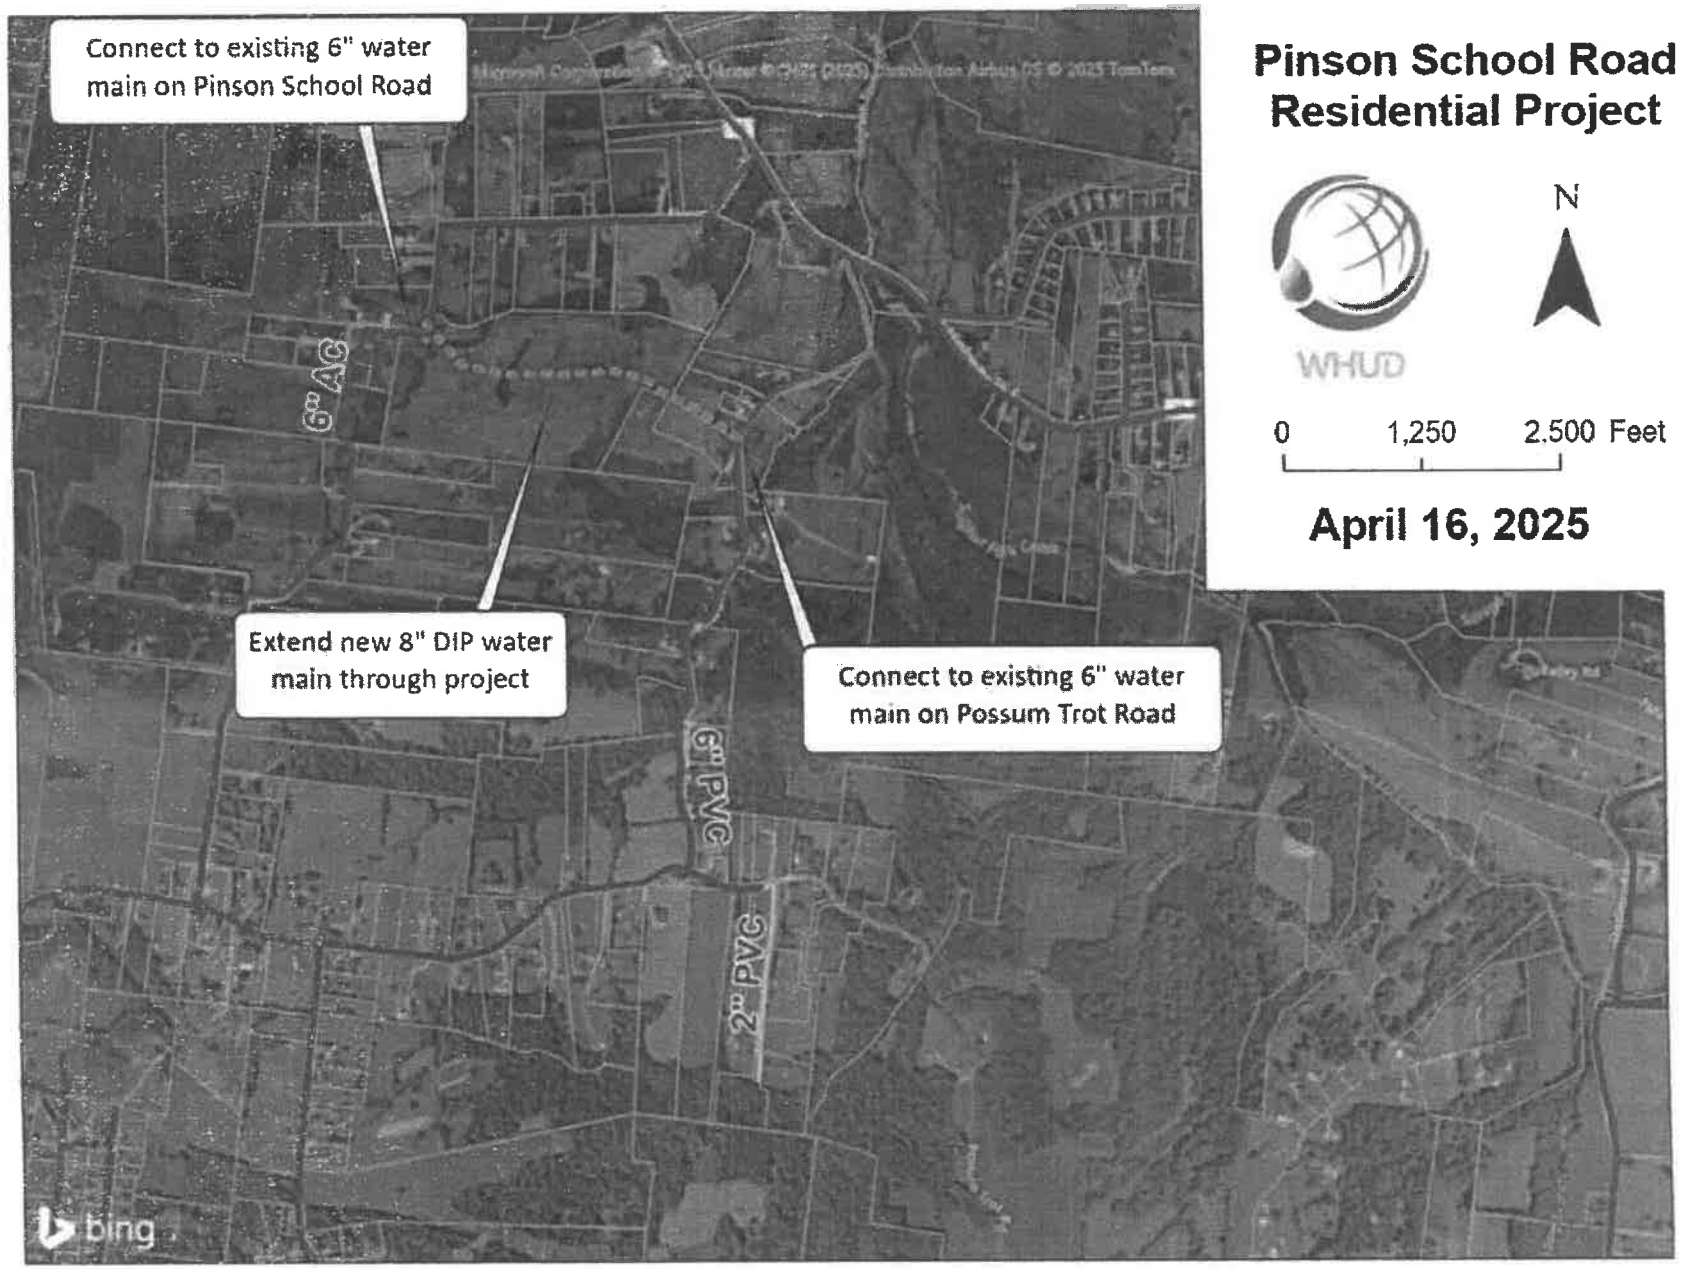

In conclusion, the information provided is to be considered due diligence in nature. This letter is neither a commitment nor a contract between the developer and WHUD nor is it to be relied upon for the purpose of design.

Should the developer desire to move beyond the due diligence inquiry phase of this project it will be necessary for the developer to submit plans and pay noted fees.

Should you have any questions, please contact our Engineering Department at 615-672-4110 ext. 262 or via email at WHUDEngineering@whud.org.

Sincerely,

Pat Harrell, P.E.
District Engineer

Landscape irrigation service is not considered a life sustaining/public sanitation/public safety use of water. If droughts or other natural/manmade circumstances restrict WHUD's ability to provide life sustaining/public sanitation/public safety uses of water that are deemed to be higher priority than landscape irrigation; WHUD reserves the right to reduce or curtail altogether landscape irrigation uses of potable water to the extent that higher priority uses of water can be supplied. Further, in order to effectively manage water resources for all customer use types in the future, WHUD will coordinate with irrigation system designers to develop specific use patterns and schedules that will help extend the availability of water and keep costs to customers as affordable as possible.

Pinson School Road Residential Project
Fee Schedule

Plan Review Fee	**$1,000** These fees are due at the time of plan submission.
Inspection/Administration fee:	**$7 per linear foot of offsite water main** **$500 per lot of onsite water main** Actual footage for these fees will be determined during the plan review process. These fees are due prior to a pre-construction meeting for infrastructure the developer will be required to install to serve the project.
Water Meter tap fee:	**5/8" x 3/4" Domestic = $2,000 each** These fees are typically paid by home builders at the time service is requested for each lot. A $50 account setup fee will be charged on the first monthly bill for each new account.
Water Facilities Fee	**$467 per residential lot** **31 lots x $467 = $14,477** These fees are due prior to a pre-construction meeting for infrastructure the developer will be required to install to serve the project.

from AG-2 to RP-80

Property Information:
- Tax Map 093, Parcels 199.00 & 199.01
- Pinson School Rd., Springfield
- Total lot acreage: 73.63 acres (3,207,322.80 sq. ft.)
- **Rezone Request: 73.63 acres. (3,207,322.80 sq. ft.)**

Project Narrative:
RP-80 Minimum Requirements
Minimum Lot Size: 80,000 sq. ft.
Front: 60'
Side: 25'
Rear: 25'
Min. Lot Width @ Front Bldg. Setback Line: 175'
Min Road Frontage: 50'
Maximum Height: 35'
Max Bldg. Coverage: 30%.

Zoning: The applicant wishes to rezone 73.63 acres. The subject property is mainly surrounded by AG-2 zones with a few RP-80 zones in the immediate vicinity with varying lot sizes. Several of the surrounding AG-2 zoned lots are nonconforming that would be considered RP-80 and R-40 by today's zoning regulations. The applicant's request to rezone RP-80 appears to be dimensionally appropriate. *Please see Exhibit 1 for zoning map and Robertson County Comprehensive Plan Map exhibit.*

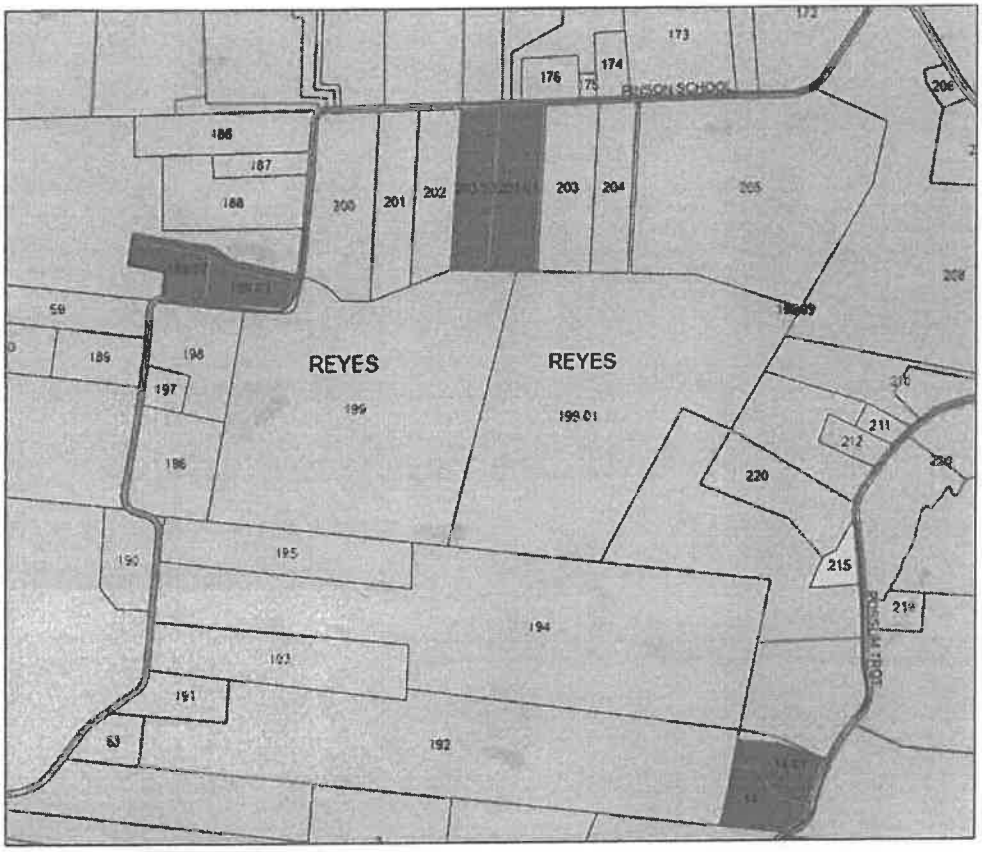

Robertson County 2040 Comprehensive Plan: The Comprehensive Plan calls for this area to remain rural. Location of Rural Preservation Areas. The majority of the County shall remain designated as Rural during the planning horizon of this land use plan. *Uses in Rural Areas*: Agrarian and rural type uses ranging from open space to agriculture, homesteads associated with agricultural uses and agriculture service businesses are encouraged within this category.

Recommendation: Approval. The application of the RP-80 zoning district is appropriate for Rural Designation.

[1] Does not apply to lots on the circular portion of a cul-de-sac or lots with access by an ingress/egress easement.

[2] Setback measured from right-of-way line or property line. Setbacks along private streets shall be the same as along local streets.

[3] Lot widths shall be increased by twenty-five (25) percent for all roads providing direct access to and arterial or collector road as designated on the Robertson County Major Thoroughfare Plan. Developments using combined driveways or private roads as access are exempt from this provision

[4] No more than three (3) full or partial stories entirely above grade.

Notes:

I In overlay districts: greater requirements may apply. See any relevant overly district regulations.

II A corner lot has two (2) front yard setbacks. The property owner shall designate the front yard and the side yard for his corner lot. The rear setback shall be on the opposite side of the lot from the designated front yard setback.

III A through lot has two (2) front setbacks but no rear setback.

IV On a corner lot of record with a width of at least forty (40) feet, the side street setback may be reduced, if necessary, to yield a buildable with equal to sixty (60) percent of the lot width. However, the side street setback shall not be reduced to less than forty (40) feet from a major thoroughfare or minor thoroughfare right-of-way line.

V For any lot of record with a depth of at least seventy-five (75) feet, the street setback and the rear setback may be reduced, if necessary, to yield a buildable depth equal to forty (40) percent of the lot depth. The rear setback shall be reduced first, but not below fifteen (15) feet. However, the front yard setback shall not be reduced to less than forty (40) feet from a major thoroughfare right-of-way line.

6-5.2 AG-2 Agricultural/Residential District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet affords limited residential development that is conducive to maintaining an agricultural setting. This district shall remain agricultural in nature with limited community facilities, commercial and residential development. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.3 RP-80 Rural Preservation District

A. District Description

This district is designed to provide suitable open space for agricultural uses and very low density residential development. It shall consist primarily of single family detached dwellings, agricultural uses and their accessory uses. This district shall be located in those areas of the county that shall retain an optimum of open spaces to maintain a rural setting yet afford residential developments a minimum of urban character. This district is a transition zone between the agricultural areas and the more urban zone residential districts. The application of this district is appropriate in rural areas of the adopted 2040 comprehensive Growth and Development Plan.

6-5.4 R-40 Low Density Residential District

A. District Description

This district is designed to provide suitable areas for low density residential development where appropriate infrastructure is available characterized by an open appearance. Most generally, the residential development will consist of single-family detached dwellings and accessory structures, but the district may also include community facilities, public utilities and open uses which serve specifically the residents of this district or which are benefited by an open residential environment without creating objectionable or undesirable influences upon such development. It is the express purpose of this resolution to exclude from this district all buildings or other structures and uses having commercial characteristics whether operated for profit or otherwise, except that special exceptions and home occupations shall be considered as not having such characteristics if they otherwise conform to the provisions of this resolution. The application of this district is appropriate in Sub-Urban and General Urban areas of the adopted 2040 comprehensive Growth and Development Plan.
