12. Resolution – Removing Certain Roads / Portion Of Certain Roads From The Official Maintenance Road List And Map -
    Highway Department Resolution No. 26-298-01

    Mr. Whitfield Hamilton requested to remove 0.38 mile, 2,017 feet of Wessington Road from our road list and map. Mr. Hamilton stated his wife Teresa and himself are the only landowners involved in this request. Wessington Road is a short dead end road that is essentially the driveway of their home and it is inside the front gate of the property. Steven E. Artz and Associates, Inc. did the legal description along with the property survey for this. On a motion by Mr. Hand, seconded by Mr. Armstrong and approved by roll call vote, the commission approved this resolution.

Roll Call Vote:	Mr. Cook – Yes Mr. Hand – Yes Mr. Martin – Yes		Mr. Armstrong - Yes Mr. Head - Absent
Vote Total:	4 – Yes	1 – Absent	Motion carried

(A copy of this resolution, letter, petition for road closure, legal description and survey is on file at the highway office.)

13. Supervisor/Commission Remarks:

    1. Supt. Adkins informed the commission back last winter the County Mayor closed the county offices on January 10th, February 19th and opened late on February 20th. During this time the Highway Department was open our normal hours and employees worked their regular week. Supt. Adkins asked in order to make up the days other employees had off while our department worked, he asked the commission if they would agree to give Monday, December 29th and Tuesday, December 30th off. Then all the employees are taking a personal day on Wednesday, December 31st. The office will reopen on Monday, January 5th. As always, we have two employees on call 24/7 if anything happens during the time off. On a motion by Mr. Hand, seconded by Mr. Armstrong and approved by voice vote, the commission agreed to give the employees off on December 29th and 30th. Supt. Adkins thanked the commission.

14. There being no further business, the meeting was adjourned on a motion by Mr. Hand, seconded by Mr. Armstrong and approved by voice vote.

Miscellaneous Events:

Our usual monthly events were altered a bit due to the Christmas Holiday. Coffee & Comradery at Robertson County Credit Union (12/16) went as scheduled. For a holiday month, the turnout was good. One Street Over with U-Turn Lavern Vivio on radio station WSGI (12/24) was cancelled since it fell on Christmas Eve.

We are planning to incorporate our local organizations into our monthly radio spot in 2026. This will give our Robertson County veterans first-hand information about where to go for assistance that they might need.

We were able to give out Christmas Food Boxes to 40 of our local veterans and their families this year. We had food staples along with a $40 gift card for perishables and miscellaneous household items that were delivered on December 19th. It was a great effort that included our Veteran Service Office, The American Legion Post 45 and VFW Post 2120.

Board of County Commissioners
Robertson County Courthouse
Springfield, Tennessee 37172

Dear Commissioners:

The unaudited financial report for the period ending November 30, 2025 is submitted herewith. This report was prepared by the Finance Department, and I believe the data is accurate in all material aspects, and that it is presented in a manner designed to set forth the financial position and results of operations of the various funds.

This report includes financial statements of all entities over which Robertson County exercises oversight responsibility, based upon criteria established by the Governmental Accounting Standards Board, except for the Robertson County Trustee, Clerks, Register and Sheriff.

The accounting records for the governmental fund types are maintained on a modified accrual basis. Revenues are recognized when they become both measurable and available as net current assets, except property taxes are recognized on a cash basis.

Expenditures are generally recognized when the liability is incurred, except principal and interest on long term debt is recognized when due, and encumbrances are recognized as expenditures for budgetary purposes in the period they are created. Reserve For Encumbrances represents contracts, purchase orders and other commitments to be completed in subsequent accounting periods.

All Reserves, with the exception of Reserve For Encumbrances, indicate unexpended revenues that are legally required to be expended for specific purposes in subsequent accounting periods.

The County is required by State statute to adopt annual budgets for the General Fund, Special Revenue Funds and Debt Service Fund. These budgets must be adopted on the basis where current available funds are sufficient to meet current expenditures. The sum of expenditures and encumbrances may not legally exceed authorized appropriations. All unencumbered appropriations lapse at year end.

In developing and evaluating the County's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets and the reliability of financial records for the preparation of financial reports. The concept of reasonable assurance recognizes that the cost of an internal control should not exceed the benefits likely to be derived and the evaluation of costs and benefits requires estimates and judgments by management. All internal accounting control evaluations and judgments occur within this framework.

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds included in this financial report are as follows:

General Fund - The General Fund is the general operating fund of the County. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources, other than major capital projects, that are legally restricted to expenditures for specific purposes. Special Revenue Funds include the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Debt Service Fund - The Debt Service Fund is used to account for the accumulation of resources for and the payment of long-term debt principal and interest.

General Capital Projects Fund - The General Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the County other than those for the Sanitation/Solid Waste Fund, Highway Fund and School Fund.

Community Development / RCEDB / Red River Preserve PILOT Fund – The Community Development / RCEDB / Red River Preserve PILOT Fund is used to account for financial resources collected through Payments In Lieu Of Taxes (PILOT) and expenditures for the Red River Preserve Project. The Robertson County Industrial Development Board, also known as the Robertson County Economic Development Board (RCEDB) is required to request approval from the County legislative body if funds are required for any County project other than the Red River Preserve.

School Capital Projects Fund - The School Capital Projects Fund is used to account for financial resources specified to be used for the acquisition or construction of major capital facilities for the School Fund.

County Medical Self Insurance Fund – The County Medical Self Insurance Fund is used to account for financial resources regarding collections of insurance premiums from the County and employees. This fund also accounts for payment of all medical claims for County employees plus the payment of administrative and stop loss fees to Blue Cross Blue Shield of Tennessee. Blue Cross Blue Shield of Tennessee is the County's Third-Party Administrator (TPA) of the County Medical Self Insurance Plan.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. I express my appreciation to these employees. I also thank the County Commissioners and all other officials and employees for their cooperation and support in conducting the financial activities of the County in a progressive and responsible manner.

Should you have any questions, please advise.

Respectfully,

Jody Stewart

From: Brent Dyer, EMS Director

Re: January 2026 EMS Report

Mayor and Commissioners,

Please accept this report from the EMS Department for the month of January 2026. I would like to thank everyone who called or reached out to check on me last week while I was in the hospital. After spending the last 26 years taking care of sick or hurt people, I found myself on the receiving end of medicine and I hope to get back to giving the care. I am back to work this week and appreciate Mayor Vogle calling to check on me. Shortly after the Mayor's call, I looked up and Commissioner Stubblefield walked in the room to visit. I truly appreciate having people that I work with and report to who genuinely care for everyone who works in Robertson County. I make sure to take care of the EMS employees, and it was nice to see I too have people in my corner.

We are already preparing for what is supposed to be a potentially historic or memorable winter weather event this weekend. I know all the kids and teachers are excited, but those of us in emergency services are not too excited. Sure, I like snow, but people still call 911, still get sick, and will be even more likely to have vehicle accidents. It seems some of our friends in Robertson County struggle to drive in good weather, so I am expecting a very long weekend. We are making provisions to try and staff the second White House ambulance full 24 hours, staff an east side paramedic supervisor in a 4x4 vehicle and will establish an operational period for the first 72 hours in our main office if there is any loss of power. If we lose power anywhere in the County for extended periods of time, we will be getting overran with calls needing emergency oxygen supplies and such. I am hoping people check on neighbors and family. We sometimes get calls where people need medications or become unable to travel to dialysis appointments and such. Besides from the 911 emergencies, we have a lot that can overwhelm us quickly. We will have a full oxygen tank resupply and Springfield and White House stations from Dean Oil likely on Wednesday, have made sure all ambulances have good tires on them, and station generators are already being prepped, fueled, and made ready. It seems this will be one for the books.

In this month's commission meeting, you will have a resolution come before you to surplus a 2014 Chevrolet Impala 4 door sedan with right around 100K miles from the EMS department. This was an administrative vehicle at one point. Once it is officially surplused, we will ask other departments if anyone needs it. If for some reason nobody needs it, we will list in on GovDeals.

Robertson County EMS
EMERGENCY MEDICAL SERVICES

Regarding a used ambulance that was voted to be surplused last month, the city of Coopertown Police Department has reached out and an agreement has been made with the Mayor and EMS Committee Chair to sell the ambulance to Coopertown for $7,000. We will be working out the paperwork and other details, but wanted to make sure we shared this with the Commission.

We have received our contract from the State for our grant funds of $30,303. These will go towards capital equipment where we purchased the blood cooler unit for the supervisor's SUV that will carry emergency field trauma blood. It will also be used to purchase other medical equipment such as additional AEDs for first responders in the County.

Lastly, I want to encourage further conversation regarding EMS stations with building and grounds needs. This weekend for example, we will have emergency vehicles that are available for call and needed to respond urgently that will be sitting outside. Our plan is to put large tarps over the tops so we can quickly pull out from under them to have the snow stay off the windshields and such, to save time. However, most everywhere else in our profession has facilities with garages or bays to park the vehicles inside during weather like this. We barely have enough room for the front line ambulances, and don't have room to operate any extra ambulances, or I would be staffing at least one more this weekend. This is one of the biggest needs in our County. I hope we can continue to progressively plan toward enhancing EMS facilities soon for our County.

Thank you all, and if you need anything, please reach out. Please stay safe and stay warm!
