Robertson County Finance Committee
Minutes of December 14, 2021 Meeting

The Finance Committee met at 4:00 P.M. with the following members present: Chris Causey, Kevin Gray, Bob Hogan and Bill Moore were present. Mayor Billy Vogle and Jody Stewart were also present. Michael (Bubba) Dorris and Delvin Hester were absent.

Mr. Moore called the meeting to order and the following main discussions and actions took place during the meeting:

The minutes of October 12, 2021 were approved.

It was moved by Kevin Gray and seconded by Bob Hogan to accept bid number 1474 for the Jail Plumbing Project for the Sheriff Department from Hughes Construction in the amount of $298,000. Traye Fann, County Engineer, explained there were originally three vendors scheduled to bid on this second sealed bid. There was only one bidder again and due to price increases this second bid was $24,000 higher than the first time this project was bid. All voted yea.

It was moved by Bob Hogan and seconded by Kevin Gray to accept bid number 1477 for the Emergency Vehicle Equipment for the Sheriff Department's Unmarked Cars from Dana Safety Supply in the amount of $19,530 as the low bidder. It was mentioned that the Sheriff Department had troubles from Truckers Lighthouse in the past and that Coopertown spoke highly of Dana Safety Supply. All voted yea.

Traye answered the question concerning the completion of the Election Room. He said most of the construction will be completed by the end of February, but the HVAC unit is on backorder, so the Election Room completion should be by the end of March 2022. Traye stated that Cathy Hamsley, Administrator of Elections, told him they will move into the new room after the May 2022 primary.

The meeting adjourned at 4:07 P.M.
